The Thickety: A Path Begins is a spellbinding tale about a girl, the Thickety, and the power of magic.

Fans of Neil Gaiman will love this thrilling new world. When Kara Westfall was five years old, her mother was convicted of the worst of all crimes: witchcraft. Years later, Kara and her little brother, Taff, are still shunned by the people of their village, who believe that nothing is more evil than magic...except, perhaps, the mysterious forest that covers nearly the entire island. It has many names, this place. Sometimes it is called the Dark Wood, or Sordyr's Realm. But mostly it's called the Thickety. The villagers live in fear of the Thickety and the terrible creatures that live there. But when an unusual bird lures Kara into the forbidden forest, she discovers a strange book with unspeakable powers. A book that might have belonged to her mother. And that is just the beginning of the story. *The Zombie Combat Manual* Random House

An accessible, contemporary guide to the art of dramatic writing During the ten years that Stuart Spencer has taught playwriting, he has struggled to find an effective playwriting handbook for his courses. Although most of the currently popular handbooks have good ideas in them, they all suffer from the same problems: they're poorly organized; are composed mostly of quirky, idiosyncratic advice on how specific playwrights have gone about writing their own work; and are full of abstract theorizing on the nature of art. As a result, they fail to offer any concrete information on how to construct a well-written play or any useful guidelines and exercises. Moreover, few of these books are actually written by working playwrights. Out of frustration, Spencer wrote his own book. The result, *The Playwright's Guidebook*, is a clear, concise, and engaging handbook. Spencer addresses the important principles of structure, includes insightful writing exercises that build upon one another, explores the creative process, and troubleshoots recurrent problems that playwrights actually face.

*The Studio Builder's Handbook* Currency

*An Insightful Primer on the Art of Dramatic Writing* Harper Collins

In the late twelfth century, across the sweeping Mongolian grasslands, brilliant, charismatic Temujin ascends to power, declaring himself the Great, or Genghis, Khan. But it is the women who stand beside him who ensure his triumph.... After her mother foretells an ominous future for her, gifted Borte becomes an outsider within her clan. When she seeks comfort in the arms of aristocratic traveler Jamuka, she discovers he is the blood brother of Temujin, the man who agreed to marry her and then abandoned her long before they could wed. Temujin will return and make Borte his queen, yet it will take many women to safeguard his fragile new kingdom. Their daughter, the fierce Alaqaï, will ride and shoot an arrow as well as any man. Fatima, an elegant Persian captive, will transform her desire for revenge into an unbreakable loyalty. And Sorkhokhtani, a demure widow, will position her sons to inherit the empire when it begins to fracture from within. In a world lit by fire and ruled by the sword, the tiger queens of Genghis Khan come to depend on one another as they fight and love, scheme and sacrifice, all for the good of their family...and the greatness of the People of the Felt Walls.

*The Perfect Kill* Penguin

Time in Iraq cost Michael Ritter some of his hearing and a friend whose death he feels responsible for. He'd left Alabama hoping to escape a dull, small-town life, only to return four years later, lugging a duffle full of personal demons. Cookesville, Alabama isn't the most welcoming place on earth, particularly for a gay, Hispanic student wanting nothing more than to earn his degree and get back home to Texas. An image of a somber young man that he knows only by name and the stories told by an adoring sister comes to life when Michael returns home, just as Jay is already half-way to losing his heart. Michael's biggest battle lies ahead, and he'll need all the help he can get to find his way in a world where he no longer fits in. Jay's not sure where he fits either, but it could be next to the war-torn soldier who needs his strength.

*Marry Me by Sundown* McGraw Hill Professional

What is the definition of assassination? Robert Baer's boss at the CIA once told him, 'It's a bullet with a man's name on it.' Sometimes assassination is the senseless act of a psychotic, a bloodletting

without social value. Other times, it can be the sanest and most humane way to change the course of conflict: one bullet, one death, case closed. Assassination has been dramatised by literature and politicised by infamous murders throughout history, and for Robert Baer, one of the most accomplished agents ever to work for the CIA, it's a source of endless fascination. Over several decades, Baer served as an operative, from Iraq to India and beyond. In *THE PERFECT KILL*, he takes us on a wildly entertaining narrative adventure through a history of political murder, interweaving his first-hand experience and his decades-long cat-and-mouse hunt for the greatest assassin of the modern age. A true maverick with an undeniably captivating personal story, Baer pulls back the curtain to give a glimpse of the underbelly of world politics, and the quiet murderers who operate on the fringe of our society.

*How to Improve the Sound of Your Studio on Any Budget* Medallion Media Group

"Evil is the most serious of our moral problems. All over the world cruelty, greed, prejudice, and fanaticism ruin the lives of countless victims. Outrage provokes outrage. Millions nurture seething hatred of real or imagined enemies, revealing savage and destructive tendencies in human nature. Understanding this challenges our optimistic illusions about the effectiveness of reason and morality in bettering human lives. But abandoning these illusions is vitally important because they are obstacles to countering the threat of evil. The aim of this book is to explain why people act in these ways and what can be done about it."—John Kekes The first part of this book is a detailed discussion of six horrible cases of evil: the Albigensian Crusade of about 1210; Robespierre's Terror of 1793–94; Franz Stangl, who commanded a Nazi death camp in 1943–44; the 1969 murders committed by Charles Manson and his "family"; the "dirty war" conducted by the Argentinean military dictatorship of the late 1970s; and the activities of a psychopath named John Allen, who recorded reminiscences in 1975. John Kekes includes these examples not out of sensationalism, but rather to underline the need to hold vividly in our minds just what evil is. The second part shows why, in Kekes's view, explanations of evil inspired by Christianity and the Enlightenment fail to account for these cases and then provides an original explanation of evil in general and of these instances of it in particular.

*A Post-modern Novel* W. W. Norton & Company

*The Secret Handshake* Penguin

God's plan has never been to help believers avoid pain. In fact, He uses difficult seasons and relationships to propel His children toward their destiny. The healing process from emotional and spiritual wounds is a journey that prepares Christians to live powerful lives, fully trusting the God who has freed them from the past. Jason Vallotton thought his world was burning down around him when he found out that his wife, Heather, was having an affair and planned to leave him and their children. Using his own story as a poignant, evocative illustration of God's grace and healing, Jason invites readers to reframe their understanding of redemption. With his dad, Kris Vallotton, Jason shows believers how they can steward the hardest times and deepest pain in their lives and allow God to use them to lay a foundation for complete restoration and empowerment for the future. While it may be hard to see emotional wounds as gifts when they still hurt so deeply, those who read *The Supernatural Power of Forgiveness* will discover that God can not only heal their wounds, but He can also use the process of healing to equip them for whole, fulfilled and powerful lives.

*The Reasoned Schemer, second edition* ReadHowYouWant.com

*The Road to Mars* is at once a story of comedians on a vaudeville circuit, an examination of the nature of comedy, a romantic love story and a thriller set in space.

*The Savage Grace* Simon and Schuster

A Practical Guide to Using the Principles of Servant Leadership Leadership is a calling. And servant leadership—the idea that managing with respect, honesty, love, and spirituality empowers employees—helps individuals answer that calling. Bestselling author and former Fortune 500 executive James A. Autry reveals the servant leader's tools, a set of skills and ideals that will transform the way business is done. It helps leaders nurture the needs and goals of those who look to them for leadership. The result is a more productive, successful, and happier organization, and a more meaningful life for the leader. Autry reveals how to remain true to the servant leadership model when handling day-to-day and long-term management situations, including how to: •Provide guidance during conflict and crisis •Assure your continued growth and progress as a leader •Train managers in the principles of servant leadership •Transform a company with morale problems into a great place to work Practiced by one-third of the companies on Fortune's "100 Best Companies to Work For" list, servant leadership is a thriving philosophy. Ultimately, Autry explores how it can be a valuable, refreshing, and rewarding approach to leading others in business life.

Learn the studio building secrets that only the pros know with *The Studio Builder's Handbook*. You might think it takes thousands of dollars and the services of an acoustic designer to improve your studio, but this book strips away the mystery of what makes a great-sounding studio and shows how you can make a huge difference even on a budget. Featuring interviews with contractors, studio designers, producers, and engineers, this book and DVD kit will give you an insider look at studio building. The DVD shows you how to construct acoustic panels and bass traps, and features several guided tours by professional studio builders.

**The Robot Novels** UTEM

This is a book about structures that shows students how to "see" structures as integral to architecture, and how knowledge of structures is the basis for understanding both the mechanical and conceptual aspects inherent to the art of building. Analyzing the structural principles behind many of the best known works of architecture from past and present alike, this book places the subject within a contemporary context. The subject matter is approached in a qualitative and discursive manner, and is illustrated by many photographs of architectural projects and structural behaviour diagrams. This new edition is revised and updated throughout, includes worked-out examples, and is perfect as either an introductory structures course text or as a designer's sourcebook for inspiration.

*The Piano Handbook* Simon and Schuster

This iPad interactive book is an indispensable tool for pilots seeking the Airbus A320 type rating. This study guide offers an in-depth systems knowledge with pictures, videos and schematics not found in other publications. It is packed with detailed and useful information to prepare any candidate for command and responsibility of the A320 equipped with IAE or CFM engines.

**Airbus A320: An Advanced Systems Guide** Hachette UK

Can you fall for someone you've never met? Hailey Taylor Emery has a hunch that her favorite client at Fetch--an anonymous virtual assistant service--is actually hockey star Matt Eriksson. Although it's against the rules for her to check his file, she's 95% sure she spends at least part of each day texting with her lifelong crush and catering to his every need. Still nursing a wounded heart thanks to her recent breakup, Hailey is perfectly content with some harmless online flirting...until she has to meet her client. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his marriage, and it sucks to be the only guy on the team who knows the truth--that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel insane. The only person in his life who seems to understand is someone who won't show her pretty face. But it's nothing that a pair of fourth row hockey seats can't fix. Hailey can't resist the offer. Matt can't resist Hailey. Good thing he doesn't have to. Fire up the kiss cam! Warning: Contains rabid hockey fans, misunderstood dick pics, hockey players at the opera and exploding ovaries. "If I had to pick two authors who I'd have team up, it would be Bowen and Kennedy" -- #1 New York Times bestselling author Colleen Hoover "Everything Sarina Bowen & Elle Kennedy write is pure gold.
