### **Hinds' Feet on High Places**

Simon and Schuster

In a land of myth and ice, seventeen-year-old Runa Unnursdóttir is not the runecaster her clan has been hoping for. She spends her days daydreaming of sailing away and exploring the world instead of studying the

runes and learning her spells. The villagers consider her odd, in looks and in manner. She's nothing like her talented sister, Sýr, keeper of the sacred moonstone that ensures the village's continued survival. But when a rival clan led by an evil witch raids the village and kidnaps her sister, Runa is forced to act. With a fallen Valkyrie by her side, and the help of a

gorgeous half-elf Runa is not quite sure she can trust, the apprentice must travel to the site of an ancient runecasting competition to try to win back the magical gem. But the journey will not be easy; the three unlikely companions encounter malevolent and supernatural creatures at every turn.

Somehow, Runa must summon the courage and strength to face her destiny, a destiny she never wanted. Or die trying.

Shahnameh Blackstone Publishing

Now a major television series, *CARDINAL*, and the first book in the John Cardinal series.

When four teenagers go missing in the small northern town of Algonquin Bay, the extensive police

investigation comes up empty. Everyone is ready to give up except Detective John Cardinal, an all-too-human loner whose persistence only serves to get him removed from homicide.

Haunted by a criminal secret in his own past and hounded by a special investigation into corruption on the force, Cardinal is on the brink of losing his career—and his family. Then the mutilated body of thirteen-year-old Katie Pine is pulled out of an abandoned mineshaft. And only Cardinal is willing to consider the horrible truth: that this quiet town is home to the most vicious of serial killers. The case as it unfolds proves eerily reminiscent of the Moors murders in Britain, as an

unassuming young man and his belligerently loyal girlfriend scout young victims for their macabre games. With the media, the provincial police and his own department questioning his every move, Cardinal follows increasingly tenuous threads towards the unthinkable. Time isn't only running out for him, but for another young victim, tied up in a basement wondering when and how his captors will kill him.

### Two for Sorrow

HarperCollins

Three themes bind this collection of eight stories: women, around whom the stories are built, Goa, in which the stories are set, and the popular rhyme, One for sorrow, two for joy, which is used as an anchor; each story, in

turn, reflecting the emotions or objects referred to in successive lines of the rhyme. Sorrow and joy, girls and boys, silver and gold, secrets, food, drink, wishes, kisses and messages – these are the stuff that stories have been made of since they were told at the dawn of humankind in huddles around campfires. And this is the stuff these stories are also made of.

Though authentically Goan, these tales speak universally to all. Told with wit and subtle humour, each has an interesting twist at the end, to give the reader an “ah-ha” moment in the final paragraphs.

One for Sorrow Wildfire  
A radical reimagining of the minotaur myth, from an essential voice

in world literature. Winner of the Jan Michalski Prize for Literature • Finalist for the PEN Literary Award for Translation and the Strega Europeo  
 Published a decade before his International Booker Prize-winning *Time Shelter*, Georgi Gospodinov's *The Physics of Sorrow* has become an underground cult classic. Finding strange solace in the myth of the Minotaur, a man named Georgi reconstructs the story of his life like a labyrinth, meandering through the past to find the melancholy child at the center of it all. With profound wit and empathy, he catalogues curious instances of abandonment, spanning from antiquity to the

Anthropocene; recounts scenes of a turbulent boyhood in 1970s Bulgaria, spent mostly in a basement; and charts a bizarre run-in with an eccentric flaneur named Gaustine. Exquisitely translated by Angela Rodel, and exhibiting his signature audacious style, this expansive work affirms Gospodinov as "one of Europe's most fascinating and irreplaceable novelists" (Dave Eggers).

**One for Sorrow, Two for Joy** Seal Books

Since earliest times Christians have used pebbles, a string of knots, or beads on a cord to keep track of their prayers, and prayer beads can be found in virtually every major religious tradition in the world. Anglicans and other

Protestants have also begun to use the rosary to help refresh a life of prayer--it creates a rhythm that helps wean us from our distractions and focus our attention so that we can more readily move into God's presence. As the beads and prayers recede into the background, the mysteries that make up the rosary come into our minds and hearts like religious pictures or icons. First published in 1975, J. Neville Ward's unusual collection of meditations offer an entirely new approach to the rosary for all Christians. He begins with its traditional use and then offers fifteen insights into the life of Jesus and his mother Mary that can speak to us today. Thus a meditation on the

sorrowful themes reminds us of the suffering that is so much a part of our own lives, while the joyful and glorious mysteries speak of the desire for faith, hope, and love that will heal them.

These reflections serve up a rich spiritual repast for Christians seeking new contemplative practices and learning to pray with the rosary. Temple of Sorrow

HarperCollins

They were the most horrific crimes of a new century: the murders of newborn innocents for which two British women were hanged at Holloway Prison in 1903. Decades later, mystery writer Josephine Tey has decided to write a novel based on Amelia Sach and Annie Walters, the notorious

“Finchley baby farmers,” unaware that her research will entangle her in the desperate hunt for a modern-day killer. A young seamstress—an ex-convict determined to reform—has been found brutally slain in the studio of Tey’s friends, the Motley sisters, amid preparations for a star-studded charity gala. Despite initial appearances, Inspector Archie Penrose is not convinced this murder is the result of a long-standing domestic feud—and a horrific accident involving a second young woman soon after supports his convictions. Now he and his friend Josephine must unmask a sadistic killer before more blood flows—as the repercussions of

unthinkable crimes of the past reach out to destroy those left behind long after justice has been served.

*The Wild Edge of Sorrow* Zondervan

The NIV is the world’s best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

*One for Sorrow*

HarperCollins

Twelve-year-old Molly and her ten-year-old brother, Michael, have never liked their seven-year-old stepsister, Heather. Ever since their parents got married, she’s made

Molly and Michael's life miserable. Now their parents have moved them all to the country to live in a house that used to be a church, with a cemetery in the backyard. If that's not bad enough, Heather starts talking to a ghost named Helen and warning Molly and Michael that Helen is coming for them. Molly feels certain Heather is in some kind of danger, but every time she tries to help, Heather twists things around to get her into trouble. It seems as if things can't get any worse. But they do—when Helen comes.

Michael O'Mara Books  
A TIME 100 Must-Read  
Book of 2021 A New  
York Times Best  
Science Fiction and  
Fantasy Book of 2021  
The Stonewall Book

Award winner of 2022  
Named a Best Book of  
2021 by NPR, The New  
York Public Library,  
Publishers Weekly and  
more! A triumphant,  
genre-bending  
breakout novel from  
one of the boldest new  
voices in contemporary  
fiction. Vern—seven  
months pregnant and  
desperate to escape  
the strict religious  
compound where she  
was raised—flees for  
the shelter of the  
woods. There, she  
gives birth to twins,  
and plans to raise  
them far from the  
influence of the outside  
world. But even in the  
forest, Vern is a hunted  
woman. Forced to fight  
back against the  
community that  
refuses to let her go,  
she unleashes  
incredible brutality far  
beyond what a person  
should be capable of,

her body wracked by inexplicable and uncanny changes. To understand her metamorphosis and to protect her small family, Vern has to face the past, and more troublingly, the future—outside the woods. Finding the truth will mean uncovering the secrets of the compound she fled but also the violent history in America that produced it. *Rivers Solomon's Sorrowland* is a genre-bending work of Gothic fiction. Here, monsters aren't just individuals, but entire nations. It is a searing, seminal book that marks the arrival of a bold, unignorable voice in American fiction.

**Holy Bible (NIV)**

Penguin

A deliciously dark, gorgeously written YA

mystery that'll prickle your skin . . . and leave a permanent mark. There are no secrets in Saintstone. From the second you're born, every achievement, every failing, every significant moment are all immortalized on your skin. There are honorable marks that let people know you're trustworthy. And shameful tattoos that announce you as a traitor. After her father dies, Leora finds solace in the fact that his skin tells a wonderful story. That is, until she glimpses a mark on the back of his neck . . . the symbol of the worst crime a person can commit in Saintstone. Leora knows it has to be a mistake, but before she can do anything about it, the horrifying secret gets out, jeopardizing her

father's legacy . . . and Leora's life. In her startlingly prescient debut, Alice Broadway shines a light on the dangerous lengths we go to make our world feel orderly—even when the truth refuses to stay within the lines. This rich, lyrical fantasy with echoes of Orwell is unlike anything you've ever read, a tale guaranteed to get under your skin . . .

### The Word for Sorrow

MCD

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—“our pre-eminent translator from the Persian” (The

Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi’s masterpiece, adding more than 100 pages of newly translated text. Davis’s elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the

seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as *The Kite Runner* and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date

translations by award-winning translators.

Scholastic

"A nail-biting page turner written with cinematic sparkle" - Jennifer Niven, bestselling author of *All The Bright Places*  
 "Think *Serial* at Malory Towers" - Katie Lowe, author of *The Furies*  
 Welcome to the Magpie Society... Tragedy has struck Illumen Hall, a prestigious boarding school of tradition and achievement. The body of student Lola Radcliffe is discovered on the beach, and on her back someone has tattooed an elaborate magpie. For new student Audrey, it's just another strange and unsettling thing about her new surroundings. For her roommate Ivy, the death of her friend Lola

is something she's desperate to get past - and Audrey's presence isn't helping. But the two girls are thrown together when a mysterious podcast airs, with a sinister headline: I KNOW WHO KILLED LOLA. AND ONE OF YOU IS NEXT. This edition includes the spine-chilling first chapter of THE MAGPIE SOCIETY: TWO FOR JOY.

**One for Sorrow** Sarah A. Denzil

In Widowsbury, an isolated village where people believe "known is good, new is bad," three outcasts from the girls' school join forces with a home-schooled boy to uncover and combat the evil that is making people disappear.

At the Water's Edge

Knopf Books for Young Readers

Journey with Much-Afraid to new heights of love, joy, and victory! For the first time, this beloved Christian allegory is a mixed-media special edition complete with charming watercolor paintings, antique tinted photography, and meditative hand-lettered Scripture. As you read and connect with the story of Much-Afraid and her trials, the pages of this book come alive thanks to the plethora of special artwork. Hinds' Feet on High Places, with more than 2,000,000 copies sold, is a story of endurance, persistence, and reliance on God. This book has inspired millions of people to become sure-footed in their faith even when facing the rockiest of life's terrain. The story

of Much-Afraid is based on Psalm 18:33: "He makes me as surefooted as a deer, enabling me to stand on mountain heights." The complete Hinds' Feet story is accented by 80 full-color paintings, photography, and hand-lettered Scripture.

Liveright Publishing  
Devon Walker has one chance to turn her life around. A half-wit ogre, a legion of overgrown jungle beasts, and a power-tripping AI are trying to stop her. Relic Online is the hottest new game out there, and it's Devon Walker's best hope for escaping her hard-knock life. Thanks to her rocking achievements in other games, she's been hired as a salaried player. Even better,

her new position comes with cutting-edge implants that turn RO's virtual reality into a full sensory explosion. Her only task? Drive the game's creator AI to the outermost limits of its creativity. Sounds easy, right? But when Devon logs in, her expectations shatter like an ice golem hit with a sonic blast. Wearing nothing but a cloth tunic and ragged pants, she spawns inside a ruined city overgrown by steamy jungle. With zero skills and nothing in her inventory but pocket lint, she immediately runs afoul of the city's guardian, a stone golem the size of an apartment building. The encounter does not go well. And Relic Online is just getting started with her.

ReadHowYouWant.com  
One could scarcely have been alive and conscious anywhere in the Western world any time in the past twenty-five years and not have been aware of a raging controversy surrounding antidepressants, suicide, and violence—a controversy that shows no sign of abating. During that same period, prescriptions for antidepressants have skyrocketed. So what is the story? Do these drugs drive people to suicide, or do they not? What about homicide? Are they addictive? Do they even help with depression? Author and researcher Patrick D. Hahn has examined the scientific literature and the trial transcripts. He's

listened to doctors and the patients. He's cross-checked the facts. And now, he has reconstructed the story to tell the truth about how these drugs are made and sold. "A compelling account of some of the most tragic mental health events. Hahn's touch is sure and the narrative races along. You may find yourself devouring it in one sitting—and then going back for more." David Healy, McMaster University, author of *Pharmageddon* "A beautifully written page-turner. It should be read by every doctor who prescribes these drugs and by anyone who is considering taking one." Irving Kirsch, Harvard Medical School, author of *The Emperor's New Drugs*

### **Five for Sorrow, Ten for Joy** Penguin

The work of the mature person is to carry grief in one hand and gratitude in the other and be stretched large by them. As seen on *All There Is* with Anderson Cooper Noted psychotherapist Francis Weller provides an essential guide for navigating the deep waters of sorrow and loss in this lyrical yet practical handbook for mastering the art of grieving. Describing how Western patterns of amnesia and anesthesia affect our capacity to cope with personal and collective sorrows, Weller reveals the new vitality we may encounter when we welcome, rather than fear, the pain of loss. Through moving personal stories, poetry, and insightful

reflections he leads us into the central energy of sorrow, and to the profound healing and heightened communion with each other and our planet that reside alongside it. *The Wild Edge of Sorrow* explains that grief has always been communal and illustrates how we need the healing touch of others, an atmosphere of compassion, and the comfort of ritual in order to fully metabolize our grief. Weller describes how we often hide our pain from the world, wrapping it in a secret mantle of shame. This causes sorrow to linger unexpressed in our bodies, weighing us down and pulling us into the territory of depression and death. We have come to fear grief and feel too alone

to face an encounter with the powerful energies of sorrow. Those who work with people in grief, who have experienced the loss of a loved one, who mourn the ongoing destruction of our planet, or who suffer the accumulated traumas of a lifetime will appreciate the discussion of obstacles to successful grief work such as privatized pain, lack of communal rituals, a pervasive feeling of fear, and a culturally restrictive range of emotion. Weller highlights the intimate bond between grief and gratitude, sorrow and intimacy. In addition to showing us that the greatest gifts are often hidden in the things we avoid, he offers powerful tools and rituals and a list of resources to help us

transform grief into a force that allows us to live and love more fully.

**Sorrowland** Random House

A chilling psychological thriller by a million-copy bestselling author. Who really killed Maisie Earnshaw? Within the walls of the high-security psychiatric facility, Crowmont Hospital, reside many violent offenders. To nurse Leah Smith, no matter what, all offenders are patients first and foremost. When Leah is appointed as a nurse to Isabel Fielding, she is determined to remain professional despite the shocking crime Isabel allegedly committed in her past. Years ago, six-year-old Maisie Earnshaw was found face down in a duck pond, her body

mutilated. Isabel--at age fourteen, found covered in Maisie's blood--was convicted of murder. As Leah spends time with Isabel, she comes to know her as a young woman with a sweet, gentle nature, someone she could never see as a murderer. Leah begins to suspect members of the Fielding family of framing Isabel as a young girl, and she's not the only one. True crime blogger James Gorden thinks Isabel is innocent too. Is Leah allowing her own dark past to taint her judgement as she grows closer to her patient? Or has a young woman been unjustly robbed of her childhood? Praise for the Isabel Fielding series: "I can't praise this book enough...it

was one of the best books I've read this year!" "Without giving too much away the characters had me fooled! Nothing is what it seems, you need to keep reading ... just one more chapter..." "One For Sorrow is such a fabulously dark and twisted read. I knew from the opening pages it was going to be good but by heck I didn't foresee the twists and turns as they happened. It's one of those stories that you will be constantly second-guessing and jumping at conclusions only to be totally wrong." "This dark, twisty psychological thriller was totally riveting."

**The Girls Who Chased Away Sorrow**  
One Point Six  
Technology Pvt Ltd  
Attorney and activist

Robyn Gigl tackles the complexities of gender, race, power and public perception in *By Way of Sorrow*, a gripping debut legal thriller with a ripped-from-the-headlines plot and a unique protagonist who, like the author herself, is a transgender attorney. Erin McCabe is a criminal defense lawyer doing her best to live a quiet life in the wake of profound personal change. But when a young, Black, transgender prostitute is accused of murdering a wealthy politician's son, Erin feels duty-bound to defend her - even if it puts her career and life in jeopardy... Four months ago, William E. Townsend, Jr., son of a New Jersey State Senator, was found fatally stabbed in a

rundown motel near Atlantic City. Sharise Barnes, a nineteen-year-old transgender prostitute, is in custody, and given the evidence against her, there seems little doubt of a guilty verdict. Erin knows that defending Sharise will blow her own private life wide open, and doubtless deepen her estrangement from her family. Yet as a trans woman, she feels uniquely qualified to help Sharise, and duty-bound to protect her from the possibility of a death sentence. Sharise claims she killed the senator's son in self-defense. As Erin assembles the case with her partner, former FBI agent Duane Swisher, the circumstances hint at a more complex and chilling story with ties

to other brutal murders. Senator Townsend is using the full force of his prestige and connections to publicly discredit everyone involved in defending Sharise. Behind the scenes, his tactics are even more dangerous. His son had secrets that could destroy the senator's political aspirations—secrets worth killing for. And as leads begin mysteriously disappearing, it's not just the life of Erin's client at stake, but her own...

*One for Sorrow* Nick  
Hern Books

"Brilliantly faceted and extremely funny. . . . While I was reading it, I was making a list of all the people I wanted to send it to, until I realized that I wanted to send it to everyone I

know." — Ann Patchett  
"Improbably charming...will have you chortling and reading lines aloud." —

PEOPLE The internationally bestselling, compulsively readable novel—spiky, sharp, intriguingly dark, and tender—that combines the psychological insight of Sally Rooney with the sharp humor of Nina Stibbe and the emotional resonance of Eleanor Oliphant Is Completely Fine. Martha Friel just turned forty. Once, she worked at Vogue and planned to write a novel. Now, she creates internet content. She used to live in a pied-à-terre in Paris. Now she lives in a gated community in Oxford, the only person she knows without a PhD, a baby or both, in

a house she hates but cannot bear to leave. But she must leave, now that her husband Patrick—the kind who cooks, throws her birthday parties, who loves her and has only ever wanted her to be happy—has just moved out. Because there’s something wrong with Martha, and has been for a long time. When she was seventeen, a little bomb went off in her brain and she was never the same. But countless doctors, endless therapy, every kind of drug later, she still doesn’t know what’s wrong, why she spends days unable to get out of bed or alienates both strangers and her loved ones with

casually cruel remarks. And she has nowhere to go except her childhood home: a bohemian (dilapidated) townhouse in a romantic (rundown) part of London—to live with her mother, a minorly important sculptor (and major drinker) and her father, a famous poet (though unpublished) and try to survive without the devoted, potty-mouthed sister who made all the chaos bearable back then, and is now too busy or too fed up to deal with her. But maybe, by starting over, Martha will get to write a better ending for herself—and she’ll find out that she’s not quite finished after all.
