ADRIENNE KAILEY

The Myth of Closure: Ambiguous Loss in a Time of Pandemic and Change Harper Collins

'One of a kind. Utterly fantastic.' Eoin Colfer on Tin David and Penny's strange new home is surrounded by forest. It's the childhood home of their mother, who's recently died. But other creatures live here ... magical creatures, like tiny, hairy Pog. He's one of the First Folk, protecting the boundary between the worlds. As the children explore, they discover monsters slipping through from the place on the other side of the cellar door. Meanwhile, David is drawn into the woods by something darker, which insists there's a way he can bring his mother back ...

Immortality Faber & Faber
NEW YORK TIMES BESTSELLER • The end of the world was only the beginning. In his internationally bestselling and critically acclaimed novel *The Passage*, Justin Cronin constructed an unforgettable world transformed by a government experiment gone horribly

wrong. Now the scope widens and the intensity deepens as the epic story surges forward . . . In the present day, as the man-made apocalypse unfolds, three strangers navigate the chaos. Lila, a doctor and an expectant mother, is so shattered by the spread of violence and infection that she continues to plan for her child's arrival even as society dissolves around her. Kittridge, known to the world as "Last Stand in Denver," has been forced to flee his stronghold and is now on the road, dodging the infected, armed but alone and well aware that a tank of gas will get him only so far. April is a teenager fighting to guide her little brother safely through a landscape of death and ruin. These three will learn that they have not been fully abandoned—and that in connection lies hope, even on the darkest of nights. One hundred years in the future, Amy and the others fight on for humankind's salvation . . . unaware that the rules have changed. The enemy has evolved, and a dark new order has arisen with a vision of the future infinitely more horrifying than man's extinction. If the Twelve are to fall, one of those united to vanquish them will have to pay the

ultimate price. A heart-stopping thriller rendered with masterful literary skill, *The Twelve* is a grand and gripping tale of sacrifice and survival. Look for the entire Passage trilogy: *THE PASSAGE* | *THE TWELVE* | *THE CITY OF MIRRORS*

Praise for *The Twelve* “[A] literary superthriller.”—The New York Times Book Review “An undeniable and compelling epic . . . a complex narrative of flight and forgiveness, of great suffering and staggering loss, of terrible betrayals and incredible hope.”—Milwaukee Journal Sentinel “*The Twelve* is even better than *The Passage*.”—The Plain Dealer “A compulsive read.”—San Francisco Chronicle “Gripping . . . Cronin [introduces] eerie new elements to his masterful mythology. . . . Enthralling, emotional and entertaining.”—The San Diego Union-Tribune “Fine storytelling.”—Associated Press “Cronin is one of those rare authors who works on two different levels, blending elegantly crafted literary fiction with cliff-hanging thrills.”—Fort Worth Star-Telegram

Twentieth Anniversary Edition A&C Black When *The Unbearable Lightness of Being* was first published in English, it was hailed as “a work of the boldest mastery, originality, and richness” by critic Elizabeth Hardwick and named one of the best books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his

incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, “the unbearable lightness of being” -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on “eternal return,” on kitsch, on man and animals -- Tomas and Tereza have a beloved dog named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

An Exploration of Personal Identity

The Unbearable Lightness of Being Twentieth Anniversary Edition The author examines the book “The unbearable lightness of being” by the Czech author Milan Kundera and

analyzes the books three main characters in psychological terms. *The Aeneid of Virgil* Harper Collins Integrating both Maori myth and New Zealand reality, *The Bone People* became the most successful novel in New Zealand publishing history when it appeared in 1984. Set on the South Island beaches of New Zealand, a harsh environment, the novel chronicles the complicated relationships between three emotional outcasts of mixed European and Maori heritage. Kerewin Holmes is a painter and a loner, convinced that "to care for anything is to invite disaster." Her isolation is disrupted one day when a six-year-old mute boy, Simon, breaks into her house. The sole survivor of a mysterious shipwreck, Simon has been adopted by a widower Maori factory worker, Joe Gillayley, who is both tender and horribly brutal toward the boy. Through shifting points of view, the novel reveals each character's thoughts and feelings as they struggle with the desire to connect and the fear of attachment. Compared to the works of James Joyce in its use of indigenous language and portrayal of consciousness, *The Bone People* captures the soul of New Zealand. After twenty years, it continues to astonish and enrich readers around the world. [The Bone People](#) Simon and Schuster

[The Curtain](#) Penguin
Casting light on the most serious of problems and at the same time saying not one serious sentence; being fascinated by the reality of the contemporary world and at the same time completely avoiding realism—that's *The Festival of Insignificance*. Readers who know Kundera's earlier books know

that the wish to incorporate an element of the "unserious" in a novel is not at all unexpected of him. In *Immortality*, Goethe and Hemingway stroll through several chapters together talking and laughing. And in *Slowness*, Vera, the author's wife, says to her husband: "you've often told me you meant to write a book one day that would have not a single serious word in it... I warn you: watch out. Your enemies are lying in wait." Now, far from watching out, Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work. A strange sort of summation. Strange sort of epilogue. Strange sort of laughter, inspired by our time, which is comical because it has lost all sense of humor. What more can we say? Nothing. Just read.

[Poems, New and Collected, 1957-1997](#)
Ballantine Books

All too often, this brilliant novel of thwarted love and revenge miscarried has been read for its political implications. Now, a quarter century after *The Joke* was first published and several years after the collapse of the Soviet-imposed Czechoslovak regime, it becomes easier to put such implications into perspective in favor of valuing the book (and all Kundera's work) as what it truly is: great, stirring literature that sheds new light on the eternal themes of human existence. The present edition provides English-language readers an important further means toward reevaluation of *The Joke*. For reasons he describes in his Author's Note, Milan Kundera devoted much time to creating (with the assistance of his American publisher-editor) a completely revised translation that reflects his original as closely as any translation possibly can: reflects it in its fidelity not only to the

words and syntax but also to the characteristic dictions and tonalities of the novel's narrators. The result is nothing less than the restoration of a classic.

The Unbearable Lightness of Being by Milan Kundera (Book Analysis) Random House

Kundera brilliantly examines the work of such important and diverse figures as Rabelais, Cervantes, Sterne, Diderot, Flaubert, Tolstoy, and Musil. He is especially penetrating on Hermann Broch, and his exploration of the world of Kafka's novels vividly reveals the comic terror of Kafka's bureaucratized universe. Kundera's discussion of his own work includes his views on the role of historical events in fiction, the meaning of action, and the creation of character in the post-psychological novel.

The Unbearable Lightness of Being Simon and Schuster

Rich in its stories, characters, and imaginative range, *The Book of Laughter and Forgetting* is the novel that brought Milan Kundera his first big international success in the late 1970s. Like all his work, it is valuable for far more than its historical implications. In seven wonderfully integrated parts, different aspects of human existence are magnified and reduced, reordered and emphasized, newly examined, analyzed, and experienced.

The Unbearable Lightness of Dragons Harper Collins

This four-color illustrated edition of *The Four Agreements* celebrates the 15th anniversary of a personal growth classic. With over 10 years on *The New York Times* bestseller list, and over 9 million copies in print, *The Four Agreements* continues to top the bestseller lists. In *The Four Agreements*, don Miguel Ruiz

reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, *The Four Agreements* offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. "This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter." — Oprah Winfrey "Don Miguel Ruiz's book is a roadmap to enlightenment and freedom." — Deepak Chopra, Author, *The Seven Spiritual Laws of Success* "An inspiring book with many great lessons." — Wayne Dyer, Author, *Real Magic* "In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world." — Dan Millman, Author, *Way of the Peaceful Warrior*

Life is Elsewhere Harper Collins

'A cult figure.' *Guardian* 'A dark and brilliant achievement.' Ian McEwan 'Shamelessly clever ... Exhilaratingly subversive and funny.' *Independent* 'A modern classic ... As relevant now as when it was first published.' John Banville A young woman is in love with a successful surgeon; a man torn between his love for her and his womanising. His mistress, a free-spirited artist, lives her life as a series of betrayals; while her other lover stands to lose everything because of his noble qualities. In a world where lives are shaped by choices and events, and everything occurs but once, existence seems to lose its substance and weight - and we feel 'the unbearable lightness of being'. *The Unbearable Lightness of Being* encompasses passion and philosophy, infidelity and ideas, the Prague Spring and modern America,

political acts and private desires, comedy and tragedy - in fact, all of human existence. What readers are saying: 'Some books change your mind, some change your heart, the very best change your whole world ... A mighty piece of work, that will shape your life forever.' 'One of the best books I've ever read ... A book about love and life, full of surprises. Beautiful.' 'This book is going to change your life ... It definitely leaves you with a hangover after you're done reading.' 'A must read - loved it, such beautiful observations on life, love and sexuality.' 'Kundera writes about love as if in a trance so the beauty of it is enchanting and dreamy ... Will stay with you forever.' 'A beautiful novel that helps you understand life better ... Loved it.' 'One of those rare novels full of depth and insight into the human condition ... Got me reading Camus and Sartre.' 'One of the best books I have ever read ... An intellectual love story if ever there was one.'

Ysolde Bouchier is still coming to terms with the dragon part of her, while at the same time trying to free a friend of Baltic-her Black Dragon lover-from the weyr, get Baltic to meet with the dragons who want him dead, rescue a half-dragon damsel in over her head, raise the shade of the man everyone says killed her, and once and for all clear Baltic's name of the murder charges that continue to plague him. For Ysolde, being a dragon is starting to bite.

The JOKE Houghton Mifflin Harcourt

An exploration of the modern European novel from a renowned English literature scholar Reading the Modern European Novel since 1900 is an engaging, in-depth examination of the evolution of the modern European novel. Written in Daniel R. Schwarz's precise and highly readable style, this critical study offers compelling discussions on a wide range of major works since 1900 and examines recurring themes within the context of significant historical events, including both World Wars and the Holocaust. The author cites important developments in the evolution of the modern novel and explores how these paradigmatic works of fiction reflect intellectual and cultural history, including developments in painting and cinema. Schwarz focuses on narrative complexity, thematic subtlety, and formal originality as well as how novels render historical events and cultural developments Discussing major works by Proust, Camus, Mann, Kafka, Grass, di Lampedusa, Bassani, Kertesz, Pamuk, Kundera, Saramago, Muller and Ferrante, Schwarz explores how these often experimental masterworks pay homage to the their major predecessors--discussed in Schwarz's ground-breaking *Reading the European Novel to 1900*--even while proposing radical departures from realism in their approach to time

and space, their testing the limits of language, and their innovative ways of rendering the human psyche. Written for teachers and students by a highly-acclaimed scholar and including valuable study questions, *Reading the Modern European Novel since 1900* offers a guide for a deeper understanding of how these original modern masters respond to both the past and present.

The Unbearable Lightness of Being in Aberystwyth Harper Collins

This collection of essays from the Franco-Czech novelist provides a defense for art during an era that he says no longer puts value on art or beauty and discusses works and artists that are important to him. 25,000 first printing.

Loon Lake Random House

Milan Kundera's lightest novel, a divertimento, an opera buffa, *Slowness* is also the first of this author's fictional works to have been written in French. Disconcerted and enchanted, the reader follows the narrator of *Slowness* through a midsummer's night in which two tales of seduction, separated by more than two hundred years, interweave and oscillate between the sublime and the comic. Underlying this libertine fantasy is a profound meditation on contemporary life: about the secret bond between slowness and memory, about the connection between our era's desire to forget and the way we have given ourselves over to the demon of speed. And about "dancers" possessed by the passion to be seen, for whom life is merely a perpetual show emptied of every intimacy and every joy.

"Fate" in Milan Kundera's *The Unbearable Lightness of Being* Harper Collins

All nation states are being changed by global economy, computer technology

and cultural revolutions. This book is an examination of Canadian nationhood.

The Twelve (Book Two of The Passage Trilogy) McClelland & Stewart Limited

The central figure of this novel is a young man whose parents were executed for conspiring to steal atomic secrets for Russia. His name is Daniel Isaacson, and as the story opens, his parents have been dead for many years. He has had a long time to adjust to their deaths. He has not adjusted. Out of the shambles of his childhood, he has constructed a new life—marriage to an adoring girl who gives him a son of his own, and a career in scholarship. It is a life that enrages him. In the silence of the library at Columbia University, where he is supposedly writing a Ph.D. dissertation, Daniel composes something quite different. It is a confession of his most intimate relationships—with his wife, his foster parents, and his kid sister Susan, whose own radicalism so reproaches him. It is a book of memories: riding a bus with his parents to the ill-fated Paul Robeson concert in Peekskill; watching the FBI take his father away; appearing with Susan at rallies protesting their parents' innocence; visiting his mother and father in the Death House. It is a book of investigation: transcribing Daniel's interviews with people who knew his parents, or who knew about them; and logging his strange researches and discoveries in the library stacks. It is a book of judgments of everyone involved in the case—lawyers, police, informers, friends, and the Isaacson family itself. It is a book rich in characters, from elderly grand- mothers of immigrant culture, to covert radicals of the McCarthy era, to hippie marchers on the Pen-tagon. It is a book that spans the quarter-century of

American life since World War II. It is a book about the nature of Left politics in this country—its sacrificial rites, its peculiar cruelties, its humility, its bitterness. It is a book about some of the beautiful and terrible feelings of childhood. It is about the nature of guilt and innocence, and about the relations of people to nations. It is *The Book of Daniel*.
