****Testimonials****I just wanted to drop you guys a line and tell you that I passed my final CLEP exam last Monday which gives me all of the credits I need to graduate. I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides. I actually purchased one of your study guides and failed my first test. I didn't fail because of your guide though, I failed because I didn't manage my time effectively and I ran short. I looked at your study guide after failing though, and a lot of the information on your study guide was very relevant to what was on the test. So, I tried again with a different test and a different study guide of yours. I passed. This pattern continues for 30 credits. I graduate on June 9th thanks to you guys, so I wanted to say thank you. The guides were worth every penny. Thanks, -John S.****I would like to thank you for your study guides. I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly. I gained 36 credits through CLEP and your study guides helped me through almost all of them. I can honestly say that I would not have passed many of the tests without your guides. Great products. Thanks!! -Erin W.****

CLEP Official Study Guide 2021 Research & Education Assoc.

Sport and Violence takes a critical look at the culture of 'sports rage' and aggression in the sporting industry, covering ethical, historical and sociological causes and impacts. It examines international examples of sport violence, including: the father of a tennis competitor placing a drug in the drinks of her competitors; a player's neck broken after being attacked from behind by an opponent in an NHL game; hooliganism in international soccer and more. The book not only attempts to explain how and why such violence originates, it examines its impact on society outside sport and suggests potential remedies for the problem. This book: Examines the culture of violence that permeates and surrounds sport, including the sociological causes of that violence, and what can be done to mitigate them Features an international perspective with examples of sport violence from throughout the world Offers a historical view on the evolution of violence in sport Its up-to-date and in-depth coverage of a controversial issue makes this book a valuable asset to both sports students and professionals working in sports management.
