movement. Despite this brief window, time in Jesus' presence had a transforming effect on each of them, and they

would be changed by Jesus' power. In this ten session LifeGuide® Bible Study of Jesus' first followers will transform you too.

Paul's reminder of our identity in Christ... Follow Dr. Jeremiah through the letter of Ephesians in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians

today. Ephesus was located in a region where Christianity and pagan religions were clashing. However, the apostle Paul saw an opportunity to advance the kingdom of God. In the letter to the Ephesians, Paul walks believers through their spiritual inheritance in Christ. This inheritance moves them from death to life and into God's family—something so much better than anything they had in their former lives. Because of this, they need to "walk worthy of their calling,"

understand and use their spiritual gifts, and put on the armor of God. Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to

help you apply the key ideas to their lives. Never has the need for

church planting been more acute or more necessary. The world around us is beset with problems of every kind—political, social, economic, racial, and moral. The list is endless, and the difficulties are systemic and entrenched. The best minds, institutions, and efforts are being marshaled to address these problems, but are we getting to the root issues? Could it be that the solutions lie elsewhere? Indeed, the greatest reformer to ever live told us the hope we

need comes from the church. Yes, the church, as anemic and as irrelevant as it may seem to some (or many). Jesus said of the community He would birth, "You are the light of the world and the salt of the earth" (Matt. 5:13-14). The church, in all its forms, from small to big, whether found in the countryside or in megacities is God's redeeming force for society, for culture, and for the nations. The church is God's secret weapon and His change agent for the world. He's

all in on the church. As such the church is God's organizational servant on the earth. It's to be an enterprise of the highest quality. It's to sparkle with kingdom power, love, and truth. As Ephesians 3:10 states, "[God's] intent was that now, through the church, the manifold wisdom of God should be made known to the rulers and authorities in the heavenly realms." For such a task, outstanding leaders are needed. Great leaders are not just for the arenas of business, politics, or the military.

The church must also focus on recruiting, training, and deploying the best. As the leader goes, so goes the organization. This book assists in the great endeavor of planting churches. It gives church planters a biblical and conceptual framework so they can be armed with a map for how to go about establishing new works. This framework is rooted in the humble yet glorious, small yet significant, quiet yet powerful ways of Jesus.

Living by and for the Gospel... Follow Dr. Jeremiah through the letters of 1 and 2 Timothy and Titus in a chapter-by-chapter study that will

help you understand what it meant to the people at the time it was written, and what it means to Christians today. The apostle Paul founded many churches in the Roman Empire, but it is clear he did not do this work alone. Rather, he relied on trusted companions such as Timothy and Titus to support the ongoing work in these communities. As Paul neared the end of his life, he wrote personal letters to these men to encourage them in their ministry and provide final

guidelines for how live and lead for Christ. In particular, we find him urging these men to maintain purity in the church, faithfully endure for the gospel, preach sound doctrine, pursue godliness, and maintain order as they built up other leaders. Paul's words compel believers today to also pursue their calling in the church . . . even when that means dealing with hardheaded and unruly fellow believers! Each of this study's twelve lessons is clearly organized to

include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study.  Jesus is the eternal King... Follow Dr. Jeremiah through the gospel of Matthew in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. At first glance, it seems surprising that Jesus would call a man like

Matthew to become one of His disciples. As a small-time tax collector, Matthew would have been despised by the Jewish people, who viewed those in the profession as traitors to Rome. But the fact that Matthew was educated, literate, and also familiar with Jewish law and customs made him the ideal candidate to not only accompany Jesus during His earthly ministry but also record all that he witnessed. The result is the Gospel we have today. Matthew shows how Jesus, as the

promised Messiah and eternal King, is worthy of our hope and our complete devotion.
