 Alone The Classic Polar Adventure Richard Byrd penned -Alone- several years after his antarctic stay and used his diary and memory to honestly account his experiences. There is beauty, pain, happiness and much sorrow in his story. The bitter cold was horrible, but the beauty of the auroras breathtaking. *Alone: The Classic Polar Adventure: Byrd, Richard E ...* Overview. When Admiral Richard E. Byrd set out on his second Antarctic expedition in 1934, he was already an international hero for having piloted the first flights over the North and South Poles. His plan for this latest adventure was to spend six months alone near the bottom of the world, gathering weather data and indulging his desire "to taste peace and quiet long enough to know how good they really are." *Alone: The Classic Polar Adventure by Richard E. Byrd ...* Written in 1938, *Alone: The Classic Polar Adventure* is the self-told story of Admiral Richard E Byrd and his expedition to Antarctica. I have a special love for this book, as I am related to Richard Byrd. My great grandfather was his cousin. Now I know where I get my good looks (actually my mom's dad is where I get my full head of hair). *Alone: The Classic Polar Adventure by Richard Evelyn Byrd* This is a very harrowing story.
