Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board®. Topic Level Quizzes: Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Mini-Tests: Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® Psychology exam, only shorter, and will help you evaluate your overall understanding of the subject. Full-Length Practice Test: After you've finished reviewing the book, take our full-length practice exam to practice under test-day conditions.
