America: A
Narrative
History puts

narrative front and center with David Shi's rich storytelling style, colorful biographical sketches, and vivid first-person quotations. The new editions further reflect our society and our students today by continuing to incorporate diverse voices into the narrative with new coverage of the Latino/a experience as well as enhanced coverage of women and gender, African

American, Native American, immigration, and LGBTQ history. With dynamic digital tools, including the InQuizitive adaptive learning tool, and new digital activities focused on primary and secondary sources, *America: A Narrative History* gives students regular opportunities to engage with the story and build critical history skills. The Brief Edition text narrative

is 15% shorter than the Full Edition. [*An Invitation to the Great American Story*](#) Oxford University Press on Demand The inspiring true story of an enslaved woman who liberated an infamous slave jail and transformed it into one of the nation's first HBCUs In *The Devil's Half Acre*, New York Times bestselling author Kristen Green draws on years of research to tell the extraordinary and little-

known story of young Mary Lumpkin, an enslaved woman who blazed a path of liberation for thousands. She was forced to have the children of a brutal slave trader and live on the premises of his slave jail, known as the “Devil’s Half Acre.” When she inherited the jail after the death of her slaveholder, she transformed it into “God’s Half Acre,” a school where Black men could fulfill their dreams.

It still exists today as Virginia Union University, one of America’s first Historically Black Colleges and Universities. A sweeping narrative of a life in the margins of the American slave trade, The Devil’s Half Acre brings Mary Lumpkin into the light. This is the story of the resilience of a woman on the path to freedom, her historic contributions, and her enduring legacy. Fear and

Loathing in Las Vegas One World
This title concisely relates the nation’s history from the age of Discovery to the Presidential election of 2000, using direct language and highlighted names, terms and phrases that make essential points easy to grasp and recall. It includes 16 chapters and an Instructor’s Manual. America Indiana University Press

<p>America: A Narrative History Brief Eleventh Edition Volume 1W.W. A 2019 NPR Staff Pick A pathbreaking history of the United States' overseas possessions and the true meaning of its empire We are familiar with maps that outline all fifty states. And we are also familiar with the idea that the United States is an "empire," exercising power around the world. But what about the actual territories—the islands, atolls, and archipelagos—this country has governed and inhabited?

In *How to Hide an Empire*, Daniel Immerwahr tells the fascinating story of the United States outside the United States. In crackling, fast-paced prose, he reveals forgotten episodes that cast American history in a new light. We travel to the Guano Islands, where prospectors collected one of the nineteenth century's most valuable commodities, and the Philippines, site of the

most destructive event on U.S. soil. In *Puerto Rico*, Immerwahr shows how U.S. doctors conducted grisly experiments they would never have conducted on the mainland and charts the emergence of independence fighters who would shoot up the U.S. Congress. In the years after World War II, Immerwahr notes, the United States moved away from colonialism. Instead, it put innovations in

electronics, transportation, and culture to use, devising a new sort of influence that did not require the control of colonies. Rich with absorbing vignettes, full of surprises, and driven by an original conception of what empire and globalization mean today, *How to Hide an Empire* is a major and compulsively readable work of history. *The Chinese in America* One World The gothic novel -the literary

stronghold of ghosts, family curses, imperiled heroines and cumbersome plots- might be thought to fall under the category of "escapist fiction." But in this groundbreaking reappraisal, Teresa Goddu demonstrates that the American Gothic novel was, in often surprising ways, actively engaged with social, political, and cultural concerns of its time. Although social dislocations such as

slavery or the massacre of Native Americans were repressed by our national consciousness, Goddu points out that these subjects were effectively incorporated by the gothic novel, articulated into an enduring national identity. Focusing on literature between the Revolutionary and Civil Wars, Gothic America traces the development of the genre as a whole and of several

subgenres - the female gothic, the Southern gothic, and the African-American gothic. Among the works Goddu reexamines are Poe's Narrative of Arthur Gordon Pym, Hawthorne's The House of the Seven Gables and The Blithedale Romance, Alcott's ghost stories, and Jacobs' Incidents in the Life of a Slave Girl. It is, finally, the African-American gothic that illuminates

most clearly the link between frightening literature and a horror-filled social reality. Questioning basic assumptions about America's identity, Gothic America is a fresh examination of both a much-neglected genre of American literature and the complex historical circumstances that produced it.

America: A Narrative History
Penguin

Provides a history of the United States from pre-Columbian Native American civilizations to the Clinton administration
Waiting 'Til the Midnight Hour Basic Books
For too long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh

retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society The existing texts simply fail to tell that story with energy and conviction. Too often they

reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its

young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as Land of Hope brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of Land of Hope will find both in its pages. **1492-Present** W. Norton The best-

selling storytelling approach with tools that develop history skills. **Plain Living and High Thinking in American Culture** Macmillan America is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and Norton's adaptive

learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn't changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition--featuring fewer chapters and additional pedagogy. **Anglos and Mexicans in the Making of Texas, 1836-1986** University of

Texas Press
 "If you want to read one book about Vietnam, read this one."
 —New York Review of Books
 Drawing on years of experience teaching about the war, Larry H. Addington presents a short, narrative history of the course, and outcome of America's military involvement in Vietnam. Not intended as a competitor to the many excellent comprehensiv

e studies of the Vietnam Era, this book will prove a useful introduction and a concise reference to America's longest, most controversial war. Addington reviews the history of pre-colonial Vietnam, the impact of French imperialism and the Indochina War, and the Cold War origins of American involvement. He then details US policy after the 1954 Geneva

Accords, its role in the establishment of South Vietnam, and the outbreak of a new war. Turning to America's deepening involvement, Addington examines the US strategies for waging air and ground war, the impact of the war at home, and the reasons for the failure of US policy under President Johnson. He studies the successes and failures of the policy of withdrawal under

President Nixon and concludes with an overview of the war's aftermath and its legacy. Small Town America W. W. Norton The Essential Learning Edition of America's celebrated narrative offers a unique pedagogical program built around core objectives. In-chapter features guide reading, source activities guide analysis, and digital resources

reinforce the reading and skill development, all providing a clear path for student success. The Second Edition has been made even more accessible and engaging with a streamlined narrative, expanded visuals, added coverage on the culture of daily life, and NEW History Skills Tutorials. **Building the American Republic, Volume 1** W. W. Norton #1 NEW YORK TIMES BESTSELLER •

A dramatic expansion of a groundbreaking work of journalism, *The 1619 Project: A New Origin Story* offers a profoundly revealing vision of the American past and present. ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia

bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's

award-winning "1619 Project" issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key

moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we

operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life. #1 NEW YORK TIMES BESTSELLER A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year
“Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book

Review “A classic that we will read for years to come.”

—Jenna Bush Hager, Read with Jenna book club “A real joyride . . . elegantly constructed and compulsively readable.” - NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America. In June, 1954,

eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew.

But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third

novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

A Narrative History W.W. Norton & Company

Shi provides the most comprehensive history to date of the rise of realism in American culture, vividly capturing the character and sweep of this all-encompassing movement that ranges from Winslow Homer to the

rise of the Ash Can school, from Whitman to Henry James to Theodore Dreiser.
