The Cross of Lorraine Hal Leonard Corporation

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once classified as "Above Top Secret" and that this information was never intended to be

released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a

binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying. We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

The time is 1959. The place is a seedy bar in Philadelphia. The audience is about to witness one of Billie Holiday's last performances, given four months before her death. Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way

that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is
