## QUINN FARMER

*All Rivers Run to the Sea* Holt McDougal

THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis *A Night Divided (Scholastic Gold)* Macmillan

A profoundly and unexpectedly intimate, deeply affecting summing up of life so far, from one of the most cherished moral voices of our time. Eighty-two years old, facing emergency heart surgery and his own mortality, Elie Wiesel reflects back on his life. Emotions, images, faces, and questions flash through his mind. His family before and during the unspeakable Event. The gifts of marriage, children, and grandchildren that followed. In his writing, in his teaching, in his public life, has he done enough for memory and for the survivors? His ongoing questioning of God—where has it led? Is there hope for mankind? The world's tireless ambassador of tolerance and justice gives us a luminous account of hope and despair, an exploration of the love, regrets, and abiding faith of a remarkable man. Translated from the French by Marion Wiesel

**The Devil's Arithmetic** Independently Published

"Let us take advantage of this historic moment and cleanse the soil of Romania ..." These words began the Romanian Holocaust in 1941. Deported Jews were expected to perish. So it might have been for the thousands sent to the German-occupied Soviet territory of Moghilev, were it not for the intervention of a Jewish engineer, 56-year-old Siegfried Jagendorf, who was among the deportees. This book tells the incredible story, left untold for fifty years, of a sabotaged and abandoned ironworks that became the instrument of salvation for 15,000 Romanian Jews. - Jacket flap.

*Night by Elie Wiesel : a Novel Study Guide* Schocken

Shaped, die-cut, picture-changing pages add a subtly interactive element to this peaceful, rhyming bedtime book from Priddy Books. Say "Night, night" and turn the page to watch the animals transform from being awake to asleep. It's nighttime down on the farm. The animals are in the barn and it's time to say a soft and cosy, "Night, night." Say goodnight to the horse, the dog, and all their farm friends, as you turn the shaped pages and watch as the animals go to sleep, one by one. The gentle rhymes and sleepy tone make Night Night Farm perfect for settling your little one into bed and ending with your own, quiet, "Night, night." With irresistibly sweet illustrations and a magical sky of glow-in-the-dark stars, Night Night Farm is the perfect way to end the day.

*Night* Simon and Schuster

Contains a literary criticism of the work of Elie Wiesel and presents a contemporary analysis of the Jewish response to the Holocaust of World War Two.

**Night of the Twisters** Allyn & Bacon

November 9th 1938 is widely seen as a violent turning point in Nazi Germany's assault on the Jews. An estimated 400 Jews lost

their lives in the anti-Semitic pogrom and more than 30,000 were imprisoned or sent to concentration camps, where many were brutally mistreated. Thousands more fled their homelands in Germany and Austria, shocked by what they had seen, heard and experienced. What they took with them was not only the pain of saying farewell but also the memory of terrible scenes: attacks by mobs of drunken Nazis, public humiliations, burning synagogues, inhuman conditions in overcrowded prison cells and concentration camp barracks. The reactions of neighbours and passersby to these barbarities ranged from sympathy and aid to scorn, mockery, and abuse. In 1939 the Harvard sociologist Edward Hartshorne gathered eyewitness accounts of the Kristallnacht from hundreds of Jews who had fled, but Hartshorne joined the Secret Service shortly afterwards and the accounts he gathered were forgotten - until now. These eyewitness testimonies - published here for the first time with a Foreword by Saul Friedländer, the Pulitzer Prize historian and Holocaust survivor - paint a harrowing picture of everyday violence in one of Europe's darkest moments. This unique and disturbing document will be of great interest to anyone interested in modern history, Nazi Germany and the historical experience of the Jews. *The Night Trilogy* Dramatists Play Service Inc

When a tornado watch is issued one Tuesday evening in June, twelve-year-old Dan Hatch and his best friend, Arthur, don't think much of it. After all, tornado warnings are a way of life during the summer in Grand Island, Nebraska. But soon enough, the wind begins to howl, and the lights and telephone stop working. Then the emergency siren starts to wail. Dan, his baby brother, and Arthur have only seconds to get to the basement before the monstrous twister is on top of them. Little do they know that even if they do survive the storm, their ordeal will have only just begun. . . .

*Night Night Farm* Vintage

Elie Wiesel's Dawn is an eloquent meditation on the compromises, justifications, and sacrifices that human beings make when they murder other human beings. "The author . . . has built knowledge into artistic fiction." —The New York Times Book Review Elisha is a young Jewish man, a Holocaust survivor, and an Israeli freedom fighter in British-controlled Palestine; John Dawson is the captured English officer he will murder at dawn in retribution for the British execution of a fellow freedom fighter. The night-long wait for morning and death provides Dawn, Elie Wiesel's ever more timely novel, with its harrowingly taut, hour-by-hour narrative. Caught between the manifold horrors of the past and the troubling dilemmas of the present, Elisha wrestles with guilt, ghosts, and ultimately God as he waits for the appointed hour and his act of assassination. The basis for the 2014 film of the same name, now available on streaming and home video.

**Number the Stars** Infobase Publishing

From award-winning investigative journalist Kyle Swenson, Good Kids, Bad City is the true story of the longest wrongful imprisonment in the United States to end in exoneration, and a critical social and political history of Cleveland, the city that

convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution's case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found. Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and Rickey were released. But while their exoneration may have ended one of American history's most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland's history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest, and how lost lives can be recovered.

*Is It Night Or Day?* Tale Blazers

Discusses the characters, plot and writing of *Night* by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author.

*Dawn* Wheeler Publishing, Incorporated

Set in a Sioux Indian reservation, *The Grass Dancer* weaves back and forth through time from the 1860's to the 1980's, with the unrequited love of Ghost Horse and the beautiful warrior woman Red Dress shaping the fates of their descendants.

*100 Words Every Middle Schooler Should Know* The Creative Company

During World War II, a young German girl's curiosity leads her to discover something far more terrible than the day-to-day hardships and privations that she and her neighbors have experienced.

*The Veldt* Schocken

From NYT bestselling author Jennifer A. Nielsen comes a stunning thriller about a girl who must escape to freedom after the Berlin Wall divides her family between east and west. *A Night Divided* joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! With the rise of the Berlin Wall, Gerta finds her family suddenly divided. She, her mother, and her brother Fritz live on the eastern side, controlled by the Soviets. Her father and middle brother, who had gone west in search of work, cannot return home. Gerta knows it is dangerous to watch the wall, yet she can't help herself. She sees the East German soldiers with their guns trained on their own citizens; she, her family, her neighbors and friends are prisoners in their own city. But one day on her way to school, Gerta spots her father on a viewing platform on the western side, pantomiming a peculiar dance. Gerta concludes that her father wants her and Fritz to tunnel beneath the wall, out of East Berlin. However, if they are caught, the consequences will be deadly. No one can be trusted. Will Gerta and her family find their way to freedom?

*How to Read Like a Writer* Hill and Wang

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the

author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

*Responses to Elie Wiesel* Farrar, Straus and Giroux (BYR)

When the Six-Day War began, Elie Wiesel rushed to Israel. "I went to Jerusalem because I had to go somewhere, I had to leave the present and bring it back to the past. You see, the man who came to Jerusalem then came as a beggar, a madman, not believing his eyes and ears, and above all, his memory." This haunting novel takes place in the days following the Six-Day War. A Holocaust survivor visits the newly reunited city of Jerusalem. At the Western Wall he encounters the beggars and madmen who congregate there every evening, and who force him to confront the ghosts of his past and his ties to the present. Weaving together myth and mystery, parable and paradox, Wiesel bids the reader to join him on a spiritual journey back and forth in time, always returning to Jerusalem.

*The Diary of Anne Frank* Penguin

In Nazi-occupied Denmark, ten-year-old Annemarie Johansen is called upon for a selfless act of bravery to help save her best friend from a terrible fate. Winner of the Newbery Medal, newly reissued in the Essential Modern Classics range. "They plan to arrest all the Danish Jews. They plan to take them away. And we have been told that they may come tonight." It is 1943 and life in Copenhagen is becoming complicated for Annemarie. There are food shortages and curfews, and soldiers on every corner. But it is even worse for her Jewish best friend, Ellen, as the Nazis continue their brutal campaign. With Ellen's life in danger, Annemarie must summon all her courage to help stage a daring escape. Inspired by true events of the Second World War, this gripping novel brings the past vividly to life for today's readers.

*Open Heart* Random House

Updated paperback edition with new Author's Note! How could we leave the only world we had ever known? Parents, brothers, sisters, grandparents, aunts and uncles and cousins—all were holding hands, clinging to one another, as if they'd never let go. A story that is more relevant than ever, as parents in our war-torn world are forced to rip their families apart and send their children away to safety. It's 1938, and twelve-year-old Edith is about to move from the tiny German village she's lived in all her life to a place that seems as foreign as the moon: Chicago, Illinois. And she will be doing it alone. This dramatic and chilling novel about one girl's escape from Hitler's Germany was inspired by the experiences of the author's mother, one of fourteen-hundred children rescued by Americans as part of the One Thousand Children project. \* "This book is an exceptional story of survival and devotion to homeland... This is a wonderful study of the Holocaust in a way that young readers will understand. Highly Recommended." -Library Media Connection "Chapman captures a plucky determination in Edith that readers will find endearing. There is no Cinderella ending for Edith, but the hope...and the honesty in her story make this historical fiction well worth reading." -Publishers Weekly - A Bank Street Best Children's Book of the Year - A YALSA Best Fiction Nominee - A Chicago Public Library Best of the Best - A Junior Library Guild Selection - Booklist's 1000 Best Young Adult Books since 2000 BONUS MATERIALS INSIDE! Features a discussion guide, Q&A with the author, and a special look at the remarkable true story as seen on the Oprah network, OWN.

*World History* Scholastic Inc.

NATIONAL BESTSELLER • A gripping memoir about the nature of addiction and the meaning of recovery from a bold and talented

literary voice. "Anyone who has ever felt broken and wished for a better life will find inspiration in Frey's story." —People "A great story.... You can't help but cheer his victory." —Los Angeles Times Book Review By the time he entered a drug and alcohol treatment facility, James Frey had taken his addictions to near-deadly extremes. He had so thoroughly ravaged his body that the facility's doctors were shocked he was still alive. The ensuing torments of detoxification and withdrawal, and the never-ending urge to use chemicals, are captured with a vitality and directness that recalls the seminal eye-opening power of William Burroughs's *Junky*. But *A Million Little Pieces* refuses to fit any mold of drug literature. Inside the clinic, James is surrounded by patients as troubled as he is—including a judge, a mobster, a one-time world-champion boxer, and a fragile former prostitute to whom he is not allowed to speak—but their friendship and advice strikes James as stronger and truer than the clinic's droning dogma of *How to Recover*. James refuses to consider himself a victim of anything but his own bad decisions, and insists on accepting sole accountability for the person he has been and the person he may become—which runs directly counter to his counselors' recipes for recovery. James has to fight to find his own way to confront the consequences of the life he has lived so far, and to determine what future, if any, he holds. It is this fight, told with the charismatic energy and power of *One Flew over the Cuckoo's Nest*, that is at the heart of *A Million Little Pieces*: the fight between one young man's will and the ever-tempting chemical trip to oblivion, the fight to survive on his own terms, for reasons close to his own heart. "

Rose Blanche (Paperback) Spark Notes

Pulitzer Prize-winning journalist and bestselling author John Hersey's seminal work of narrative nonfiction which has defined

the way we think about nuclear warfare. "One of the great classics of the war" (*The New Republic*) that tells what happened in Hiroshima during World War II through the memories of the survivors of the first atomic bomb ever dropped on a city. "The perspective [Hiroshima] offers from the bomb's actual victims is the mandatory counterpart to any Oppenheimer viewing." —*GQ Magazine* "Nothing can be said about this book that can equal what the book has to say. It speaks for itself, and in an unforgettable way, for humanity." —*The New York Times* *Hiroshima* is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six -- a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest -- were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city. Then he follows the course of their lives hour by hour, day by day. *The New Yorker* of August 31, 1946, devoted all its space to this story. The immediate repercussions were vast: newspapers here and abroad reprinted it; during evening half-hours it was read over the network of the American Broadcasting Company; leading editorials were devoted to it in uncounted newspapers. Almost four decades after the original publication of this celebrated book John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them -- the variety of ways in which they responded to the past and went on with their lives -- is now the eloquent and moving final chapter of *Hiroshima*.

Elie Wiesel Vintage

Teaching "Night" interweaves a literary analysis of Elie Wiesel's powerful and poignant memoir with an exploration of the relevant historical context that surrounded his experience during the Holocaust.
