For the men and women of Shorn Associates, opportunity is calling. In the superheated global village of the near future, big money is made by finding the right little war and supporting one side against the other-in exchange for a share of the spoils. To succeed, Shorn uses a new kind of corporate gladiator: sharp-suited, hard-driving gunslingers who operate armored

vehicles and follow a Samurai code. And Chris Faulkner is just the man for the job. He fought his way out of London's zone of destitution. And his kills are making him famous. But unlike his best friend and competitor at Shorn, Faulkner has a side that outsiders cannot see: the side his wife is trying to salvage, that another woman—a porn star turned TV news reporter—is trying to

exploit. Steeped in blood, eyed by common criminals looking for a shot at fame, Faulkner is living on borrowed time. Until he's given one last shot at getting out alive. . . .

A Novel
Harper Collins
A More Perfect Constitution presents creative and dynamic proposals from one of the most visionary and fertile political minds of our time to reinvigorate our Constitution

and American governance at a time when such change is urgently needed, given the growing dysfunction and unfairness of our political system . Combining idealism and pragmatism, and with full respect for the original document, Larry Sabato's thought-provoking ideas range from the length of the president's term in office and the number and terms of Supreme Court justices to the

vagaries of the antiquated Electoral College, and a compelling call for universal national service-all laced through with the history behind each proposal and the potential impact on the lives of ordinary people. Aware that such changes won't happen easily, but that the original Framers fully expected the Constitution to be regularly revised, Sabato urges us to engage in the debate

and discussion his ideas will surely engender. During a presidential election year, no book is more relevant or significant than this. *False Memory* Little, Brown Books for Young Readers Four Beastly Kendra Chronicles CollectionBeastly, Lindy's Diary, Bewitching, MirroredHarperCollins *Market Forces* Spectra The searing, visionary memoir of founding Black Panther Huey

P. Newton, in a dazzling graphic package Tracing the birth of a revolutionary, Huey P. Newton's famous and oft-quoted autobiography is as much a manifesto as a portrait of the inner circle of America's Black Panther Party. From Newton's impoverished childhood on the streets of Oakland to his adolescence and struggles with the system, from his role in the Black Panthers to his solitary confinement

in the Alameda County Jail, Revolutionary Suicide is unrepentant and thought-provoking in its portrayal of inspired radicalism. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and

across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. *The Road to Character* Little, Brown Why did Leonardo da Vinci lavish three years on painting the second wife of an unimportant merchant

when all the nobles of Europe were begging for a portrait by his hand? In E. L. Konigsburg's intriguing novel, the answer lies with the complex relationship between the genius, his morally questionable young apprentice, and a young duchess whose plain features belie the sensitivity of her soul. *Tiger Woods* Vintage An "innovative" (The New Yorker) retelling of the

story of Dracula. Told with the flourish and poise of a talented storyteller, Kostova turns the age-old tale into a compelling "late night page-turner" (San Francisco Chronicle) When a young woman discovers a cache of ancient letters, she is thrown into the turbulent history of her parents' dark pasts. Uncovering a labyrinthine trail of clues, she begins to reconstruct a staggering

history of deceit and violence. Debut novelist Elizabeth Kostova creates an adventure of monumental proportions, a relentless tale that blends fact and fantasy, history and the present, with an assurance that is almost unbearably suspenseful and utterly unforgettable. **A More Perfect Constitution** Flatiron Books In *Diva*, the companion to Alex Flinn's YA novel *Breathing*

Under Water, Caitlin is dealing with a lot. She's living through the aftermath of an abusive relationship, she has a youth-obsessed mother who just doesn't understand her, and she's on a constant yo-yo diet to live up the standards of her nitpicking friends. All Caitlin wants is to escape her not-so-glamorous life and pursue her dream of becoming a singer, but when she's accepted into the Miami

High School of the Arts, her life doesn't magically become perfect. Yet despite some struggles to keep up with her competitive classmates and the distraction of cute new crush, Caitlin never loses her sense of humor and eventually gains the confidence to achieve her goals. Perfect for fans of such books as Carolyn Mackler's *The Earth, My Butt, and Other Big Round Things*.

Beautiful Yuriko and her unpopular, unnamed sister exist in different spheres; the hopelessly awkward Kazue Sato floats around among them, trying to fit in. Years later, Yuriko and Kazue are dead — both have become prostitutes and both have been brutally murdered.
