**Memoirs of Dora Greenwell** Thakur Publicatoin Private Limited This book maps the journey of the Indian poetic imagination—in Hindi, Panjabi and Indian English—from its original quasi-spiritual longings to its activist interventions in the public domain. As Indian poetry of the post-1990s gravitates towards a non-Orientalised postcolonial nationalism, it seeks to rewrite and disseminate the shifting coordinates of nationalist imagination in terms of the dissent of the subaltern discontents of the nation. The book is interdisciplinary: it studies Indian poetry from the new emerging imperatives of postcolonialism, new historiography (subaltern, dalit and diasporas), nationalism, and cultural studies. Covering the two major north Indian languages—Hindi and Punjabi—along with poetry in Indian English, the book is a close textual study of about 150 poetry collections in these languages. It is path-breaking in its study of secular poetry written in the so-called vernaculars, with critical attention to its participation in the political as well as cultural processes of nation-making. This cutting-edge book should be of interest to scholars of Indian writings in English, Hindi and Panjabi, gender studies, dalit and diaspora studies, postcolonial poetry and to students reading South Asian literature and culture.

*Ancient Ballads and Legends of Hindustan* (1882) is a collection of poems by Toru Dutt. Compiled after her death and published in London, *Ancient Ballads and Legends of Hindustan* is an invaluable work of art from a pioneering figure in Indian history and Bengali literature. Born in Calcutta to a family of Bengali Christians, Toru Dutt was raised at the crossroads of English and Indian cultures. In addition to her native Bengali, she became fluent in English, French, and Sanskrit as a young girl, eventually writing novels and poems in each language. Despite her limited body of work, Dutt's legacy as a groundbreaking writer remains firm in India and around the world. "Savitri was the only child / Of Madra's wise and mighty king; / Stern warriors, when they saw her, smiled, / As mountains smile to see the spring." In rhyming English verse, Bengali poet Toru Dutt presents some of the oldest and most sacred stories from ancient India. Translated from Sanskrit into the popular ballad form, Dutt introduces an English audience to the story of Savitri, originally from the epic Mahabharata, as well as the tale of Lakshman, which comes from the Hindu epic Ramayana. Alongside these poems appear Dutt's versions of Bengali folklore—"Joghadhya Uma"—and poems

written during her stay in Europe. "Near Hastings" is a particularly beautiful example of her original verse depicting an otherworldly encounter along the English seacoast: "Near Hastings, on the shingle-beach, / We loitered at the time / When ripens on the wall the peach, / The autumn's lovely prime." With a beautifully designed cover and professionally typeset manuscript, this edition of Toru Dutt's *Ancient Ballads and Legends of Hindustan* is a classic work of Bengali literature reimagined for modern readers. In this study, ten independent critical essays and a coda explore the English-language poetry of South Asians in terms of time, place, themes and poetic methodologies. The transnational perspective taken establishes connections between colonial and postcolonial South Asian poetry in English as well as the poetry of the old and new diaspora and the Subcontinent. The poetry analysis covers the relevance of historical allusions as well as underlying concerns of gender, ethnicity and class. Comparisons

are offered between poets of different places and time periods, yielding numerous sociopolitical paradigms that surface in the poetry.

Voyages of Body and Soul: Selected Female Icons of India and Beyond includes scholarly essays and performance/choreographic notes from a diverse range of contributors on the themes of "Mad and Divine: India's Female Saint-Poets" and "Epic Women of India and Beyond." The contributors explore the tendency of patriarchal societies to label exceptional saint-poets yearning for the divine as "mad" because of their resistance to normative and acceptable female behavior. Scholars and performers journey across history, with discussions ranging from the 8th century Tamil mystic poet Andal's divine poetry, to the 16th century saint-poet Meerabai, to figures across the Indian subcontinent, including Kashmir's Lalleshwari and Maharashtra's Janabai, who, as a low caste member, joined the sacred path partly to escape caste oppression. The definition of "epic women" in this volume is multi-faceted: from looking at commonly accepted epic figures, such as the iconic Sita from The Ramayana, to examining epic women in politics, to probing dark women with passions of epic proportions, to legendary teachers of the classical dance style of bharatanatyam, to women with monumental courage and creativity across historical time-periods and geographical locations - Ancient Greece, Ancient India, 20th century Mexico, and Myanmar. Voyages of Body and Soul recognizes creative and courageous female saint-poets, and outspoken women in ancient epics and in contemporary times who follow their chosen paths with deep devotion. Their lives and works are models for the human community in the 21st century.

With the success of *Gladiator*, both critics and scholars enthusiastically announced the return of a genre which had lain dormant for thirty years. However, this return raises important new questions which remain unanswered. Why did the epic come back, and why did it fall out of fashion? Are these the same kinds of epics as the 1950s and 60s, or are there aesthetic differences? Can we treat *Kingdom of Heaven*, *300* and *Thor* indiscriminately as one genre? Are non-Western histories like *Hero* and *Mongol* epics, too? Finally, what precisely do we mean when we talk about the return of the epic film, and why are they back? *The Return of the Epic Film* offers a fresh way of thinking about a body of films which has dominated our screens for a decade. With contributions from top scholars in the field, the collection adopts a range of interdisciplinary perspectives to explore the epic film in the twenty-first century.

This volume forms part of the Critical Discourses in South Asia series, which deals with schools, movements and discursive practices in major South Asian languages. It offers crucial insights into the making of Odia literature and its critical tradition across a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions, and re-interpretations of primary concepts and categories in Odia. It

presents twenty-five key texts in literary and cultural studies from late-nineteenth century to early-twenty-first century, translated by experts for the first time into English. These seminal essays explore complex interconnections between socio-historical events in the colonial and post-Independence period in Odisha and the language movement. They discuss themes such as the evolving idea of literature and criteria of critical evaluation; revision and expansion of the literary canon; the transition from orality to print; emergence of new reading practices resulting in shifts in aesthetic sensibility; dialectics of tradition and modernity; and the formation, consolidation and political consequences of a language-based identity. Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Odia literature in South Asia. It will be essential for scholars and researchers of Odia language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies and South Asian studies. It will also interest the Odia-speaking diaspora and those working on the

intellectual history of Odisha and Eastern India and conservation of language and culture.

A prolific author of novels, poetry collections, plays, biographies and translations, Elaine Feinstein is one of the towering literary figures of the last few decades. In this, her first memoir, she tells the story of her journey from a Jewish childhood in Leicester to the undergraduate world of post-war Cambridge, the excitement of friendships in the literary world and the tensions of a poet's writing life inside a long and sometimes painful marriage. This book, however, is not only the intimate memoir of one of Britain's finest poets and novelists: it is also the story of a rapidly changing country and of an entire generation of authors. Told with the precision of a biographer and the finesse of a poet, and peppered

with witty literary anecdotes, *It Goes with the Territory* is an absorbing read from beginning to end.
