A breakthrough in occult studies that combines modern sigil techniques with traditional Enochian Magick and appeals to all levels of ritual magick practitioners, explorers of consciousness, scholars, dowers, and tantric yoga practitioners Author and magick practitioner Robert Podgurski shares his discovery and development of the Grid Sigil--a tool for exploring the mysteries of embodiment and unity that bridges Enochian Magick with Sparean sigilization. Properly constructed, it emanates the root energies of the four elements bound by spirit in the space/time continuum. This text offers readers a variety of techniques for using the Grid Sigil and is an essential guidebook for understanding the connection between Enochian Magick, geomagnetism, shamanism, and other facets of Eastern and Western esotericism. Close attention is paid to critical metaphysical thought through in-depth analysis based in science, metaphysics, philosophical speculation, and illustrations.

Angelic Symbols of the Purest Spiritual Healing Energy and the Highest Light and Love to Completely Purify, Perfectly Enhance, and Totally Enlighten Your Life, Here and Now Harper Collins

A few books exist on Asherah so I am going to jump in and add my two cents. I found the others to be rather complex. I will do my best to deconstruct it all in this book, but for the sake of brevity I can't go too deep. Like all my books, I will cover the texts and history. I have many old notes that I will clean up and present here. We will discuss Asherah's wide-ranging presence from Akkadian sources all the way through Arabian ones and a few more. We will start with the Old Testament sources first since that is essentially what put her on the map of Intellectual history so to speak. We will also learn more about ways to call upon her and tap into her ancient power. She is, after all, the divine consort of God, the Queen of the Heaven. In this book, we will be calling upon Asherah for the following: 1. We will call upon her to vanquish our enemies. 2. We will Use Her to Attain Love. 3. To Gain Seductive Powers 4. We Will Call Upon Her For Abundance. 5. We Will Call Upon Her For Healing.

In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian -- the language of the angels. Donald Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. The rest of the work consists of a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and a basic Enochian-English/English-Enochian dictionary. The result is a fascinating linguistic and magical mystery story, integral to any study of the Enochian tradition. Stephen Skinner's lucid Preface sets the tone and historical context for today's readers.

Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527–1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of “calls” to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In *Enochian Vision Magick*, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv. Replaces ISBN 978-1-57863-382-1

And once called, how to use their awesome divine power to transform your compelling needs and desires into manifested reality. Angel magick is the oldest, most powerful and least understood of all methods of magick. Ancient books of scripture from multiple religions tell of the marvelous power and miracles of angels. But the secrets of the true angel names, who they really are, their hierarchy, their stewardship responsibilities, their sigils, and how to successfully call them and have them work their divine magick for you, was lost to the world as a large part of it descended into the dark ages. But a covenant was made by the Archangel Maeádael to the Adepts of Magick that as the people of the world evolved to a higher light the knowledge and power of angels would come again to the earth during the time of the Generation of Promise. That time is now. We are the Generation of Promise that has been foretold of for millennium.

And all that was lost has been restored. It doesn't matter what religion or path of enlightenment and empowerment that you travel: Wicca, Christianity, Pagan, Jewish, Buddhist, Occult, Muslim, Kabbalah, Vedic, something else or none at all. Nor does your preferred system of magick from Enochian, Thelemic, Gardnerian, Hermetic, to Tantric matter. Once you know the true names of the mighty angels, their unique sigils, and the simple but specific way to summon them, they will come and they will help you.

The objective reality (or not) of spirits is also considered, using experiences from the author's life as a backdrop to this discussion. The book ends with a short story entitled 'The Stella of Revealing' which satirises magickal groups in an entertaining and instructive way.

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.
