From New York Times columnist and bestselling author Frank Bruni comes "a book about vision loss that becomes testimony to human courage, a moving memoir that offers perspective, comfort, and hope" (Booklist, starred review). One morning in late 2017, New York Times columnist Frank Bruni woke up with strangely blurred vision. He wondered at first if some goo or gunk had worked its way into his right eye. But this was no fleeting annoyance, no fixable inconvenience. Overnight, a rare stroke had cut off blood to one of his optic nerves, rendering him functionally blind in that eye—forever. And he soon learned from doctors that the same disorder could ravage his left eye, too. He could lose his sight altogether. In this "moving and inspiring" (The Washington Post) memoir, Bruni beautifully recounts his adjustment to this daunting reality, a medical and spiritual odyssey that involved not only reappraising his own priorities but also reaching out to, and gathering wisdom from, longtime friends and new acquaintances who had navigated their own traumas and afflictions. The result is a poignant, probing, and ultimately "a positive message, a powerful reminder that with great vulnerability also comes great reward" (Oprah Winfrey). Bruni's world blurred in one sense, as he experienced his first real inklings that the day isn't forever and that light inexorably fades, but sharpened in another. Confronting unexpected hardship, he felt more blessed than ever before. The Beauty of Dusk is "a wonderful book. Honest. Poetic. Uplifting." (Lesley Stahl). *Singing / Cantando: La Cucaracha* Cafe Con Leche Books

A memoir by the internationally famous fashion designer and style icon Mention the name "Betsey Johnson" and almost every woman from the age of 15 to 75 can rapturously recall a favorite dress or outfit; whether worn for a prom, a wedding, or just to stand out from the crowd in a colorful way. They may also know her as a renegade single mom who palled around with Edie Sedgwick, Twiggy, and The Velvet Underground, or even as a celebrity contestant on Dancing with the Stars. Betsey is also famous for her iconic pink stores (she had 65 shops across the US) and for her habit of doing cartwheels and splits down the runway at the close of her fashion shows. Throughout her decades-long career, she's taken pride in producing fun but rule-breaking clothing at an accessible price point. What they might not know is that she built an empire from scratch, and brought stretch clothing to the masses in the 80s and 90s. Betsey will take the reader behind the tutu and delve deeply into what it took to go from a white picket fence childhood in Connecticut to becoming an internationally known force in a tough, competitive business. The book will feature Betsey's candid memories of the fashion and downtown scene in the 60s and how she started her own business from the ground up after designing successfully for multiple other companies. She will discuss that business's ups and downs and reinventions (including bankruptcy), and her thoughts on body image, love, divorce, men, motherhood, and her bout with breast cancer. Betsey will be richly illustrated with many of her landmark clothes, fashion sketches, and personal photos--making the book the perfect memento and gift for every girl (of any age) for whom Betsey is, as a recent New York Times profile noted, "a role model still."

Para romper con el insularismo que ha venido caracterizando la

literatura puertorriqueña nueve destacados especialistas proponen estudios desde una perspectiva comparatista. Quíntuples de Luis Rafael Sánchez entra en diálogo con *The Last Carnival* de Derek Walcott. Los planteamientos (afro)antillanos de Palés Matos son revisitados en relación con los de Guillén. Los ensayos de José Luis González son puestos en relación con el ideario del pensador dominicano Silvio Torres-Saillant. El cuento 'Cuatro selecciones por una peseta' de Ana Lydia Vega y Carmen Lugo Filippi engendra reflexiones sobre clichés caribeños al cotejarlo con 'Vellonera de sueños' del dominicano Luis Martín Gómez. Un ensayo de Juan Bosch sobre Emilio Belaval arroja otra luz sobre ambos escritores. Pero los interlocutores no provienen únicamente del área caribeña. Sol de medianoche de Edgardo Rodríguez Juliá es relacionado con 'Deutsches Requiem' de Borges y sus crónicas suscitan ecos desde Chile con Lemebel. El laberinto de la soledad de Octavio Paz es acercado a los ensayos de Emilio Belaval. Hasta se tienden puentes entre el bertso vasco y la décima puertorriqueña. Estas aproximaciones innovadoras amplían el contexto cultural e intelectual de las letras puertorriqueñas.

From his first performance at age four, Willie Nelson was driven to make music and live life on his own terms. But though he is a songwriter of exceptional depth - "Crazy" was one of his early classics - Willie only found success after abandoning Nashville and moving to Austin, Texas. *Red Headed Stranger* made country cool to a new generation of fans. *Wanted: The Outlaws* became the first country album to sell a million copies. And "On the Road Again" became the anthem for Americans on the move. A craggy-faced, pot-smoking philosopher, Willie Nelson is one of America's great iconoclasts and idols. Now Joe Nick Patoski draws on over 100 interviews with Willie and his family, band, and friends to tell Nelson's story, from humble Depression-era roots, to his musical education in Texas honky-tonks and his flirtations with whiskey, women, and weed; from his triumph with #1 hit "Always On My Mind" to his nearly career-ending battles with debt and the IRS; and his ultimate redemption and ascension to American hero Willie Nelson Hal Leonard Corporation

"There's a lot of text in the book, but it's smartly framed within two-page spreads, and very little of it feels extraneous. ...A worthy picture-book primer on the Queen of Tejano music."-Kirkus

Reviews This is a moving and impassioned picture book about the iconic Queen of Tejano music, Selena Quintanilla, that will embolden young readers to find their passion and make the impossible, possible! Selena Quintanilla's music career began at the age of nine when she started singing in her family's band. She went from using a hairbrush as a microphone to traveling from town to town to play gigs. But Selena faced a challenge: People said that she would never make it in Tejano music, which was dominated by male performers. Selena was determined to prove them wrong. Born and raised in Texas, Selena didn't know how to speak Spanish, but with the help of her dad, she learned to sing it. With songs written and composed by her older brother and the fun dance steps Selena created, her band, Selena Y Los Dinos, rose to stardom! A true trailblazer, her success in Tejano music and her crossover into mainstream American music opened the door for other Latinx entertainers, and she became an inspiration for Latina girls everywhere.

"The Strachwitz Frontera Collection is the largest repository of commercially produced Mexican and Mexican American vernacular recordings in existence. It contains more than 130,000 individual recordings. Many are rare, and some are one of a kind. Although border music is the focus of the collection, it also includes notable recordings of other Latin forms, including salsa, mambo, sones, and rancheras. More than 40,000 of the recordings, all from the first half of the twentieth century, have been digitized with the help of the UCLA Chicano Studies Research Center and are available online through the University of California's Digital Library Program. Agustin Gurza explores the Frontera Collection from different viewpoints, discussing genre, themes, and some of the thousands of composers and performers whose work is contained in the archive. Throughout he discusses the cultural significance of the recordings and relates the stories of those who have had a vital role in their production and preservation. Rounding out the volume are chapters by Jonathan Clark, who surveys the recordings of mariachi ensembles, and Chris Strachwitz, the founder of the Arhoolie Foundation, who

reflects on his six decades of collecting the music that makes up the Frontera Collection."--Publisher description.
