MCNEIL LEXI

South to Freedom Simon and Schuster
This Norton Critical Edition of Solomon Northup's harrowing autobiography is based on the 1853 first edition. It is accompanied by Henry Louis Gates, Jr. and Kevin Burke's introduction and detailed explanatory footnotes. The Norton Critical Edition also includes: · The

illustrations printed in the original book. · Contemporary sources (1853—62), among them newspaper accounts of Northup's kidnapping and ordeal and commentary by Frederick Douglass, Harriet Beecher Stowe, and Thomas W. MacMahon. · A Genealogy of Secondary Sources (1880-2015) presenting twenty-four voices spanning three centuries on the memoir's major themes. Contributors include George Washington Williams, Marion Wilson Starling, Kenneth Stampp, Robert

B. Stepto, Trish Loughran, and David Fiske, Clifford W. Brown, Jr., and Rachel Seligman, among others. · The 2013 film adaptation—*12 Years a Slave*—fully considered, with criticism and major reviews of the film as well as Henry Louis Gates's three interviews with its director, Steve McQueen. · A Chronology and Selected Bibliography. *The Peculiar Institution* Harper Collins
For centuries the world has been misled about the original source of the Arts and Sciences; for centuries Socrates, Plato

and Aristotle have been falsely idolized as models of intellectual greatness; and for centuries the African continent has been called the Dark Continent, because Europe coveted the honor of transmitting to the world, the Arts and Sciences. It is indeed surprising how, for centuries, the Greeks have been praised by the Western World for intellectual accomplishments which belong without a doubt to the Egyptians or the peoples of North Africa.

Christopher Paul Curtis's

Newbery Honor novel,

featuring his trademark humor and unique

narrative voice, is now part of the Scholastic Gold

line! *Elijah of Buxton*,

recipient of the Newbery

Honor and winner of the

Coretta Scott King Award,

joins the Scholastic Gold

line, which features

award-winning and beloved novels. This edition includes exclusive bonus content! Eleven-year-old Elijah lives in Buxton, Canada, a settlement of runaway slaves near the American border. Elijah's the first child in town to be born free, and he ought to be famous just for that -- not to mention for being the best at chunking rocks and catching fish.

Unfortunately, all that most people see is a "fragile" boy who's scared of snakes and tends to talk too much. But everything changes when a former slave steals money from Elijah's friend, who has been saving to buy his family out of captivity in the South. Now it's up to Elijah to track down the thief -- and his dangerous journey just might make a hero out of him, if only he can find the courage to get back home.

Nellie Norton - or, Southern slavery and the Bible is an unchanged, high-quality reprint of the original edition of 1864.

Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions,

cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature.

Many works of historical writers and scientists are available today as antiques only.

Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

Stolen Scholastic Inc.

When John Price took a chance at freedom by crossing the frozen Ohio river from Kentucky into Ohio one January night in 1856, the Fugitive Slave Act of 1850 was fully enforced in every state of the union. But the townspeople of Oberlin, Ohio, believed there that all people deserved to be free, so Price started a new life in town-until a crew of slave-catchers arrived and apprehended him. When the residents of Oberlin heard of his capture, many of them banded together to demand his release in a dramatic showdown that risked their own freedom. Paired for the first time, highly acclaimed authors Dennis & Judith Fradin and Pura Belpré award-winning illustrator Eric Velasquez, provide

readers with an inspiring tale of how one man's journey to freedom helped spark an abolitionist movement.

Harriet Jacobs Franklin Classics

This “superbly researched and engaging” (The Wall Street Journal) true story about five boys who were kidnapped in the North and smuggled into slavery in the Deep South—and their daring attempt to escape and bring their captors to justice belongs “alongside the work of Harriet Beecher Stowe, Edward P. Jones, and Toni Morrison” (Jane Kamensky, Professor of American History at Harvard University). Philadelphia, 1825: five young, free black boys fall into the clutches of the most fearsome gang of kidnapers and slavers in the United States. Lured onto a small ship with the promise of food and pay, they are instead met with blindfolds, ropes, and knives. Over four long months, their kidnapers drive them overland into the Cotton Kingdom to be sold as slaves.

Determined to resist, the boys form a tight brotherhood as they struggle to free themselves and find their way home. Their ordeal—an odyssey that

takes them from the Philadelphia waterfront to the marshes of Mississippi and then onward still—shines a glaring spotlight on the Reverse Underground Railroad, a black market network of human traffickers and slave traders who stole away thousands of legally free African Americans from their families in order to fuel slavery’s rapid expansion in the decades before the Civil War. “Rigorously researched, heartfelt, and dramatically concise, Bell’s investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans” (Booklist).

Twelve Years a Slave
Bloomsbury Publishing USA

"The retelling of Solomon Northup's true story is a valuable contribution to black history. Readers of all ages will enjoy . . . this important account." - Charles A. Hicks, former Arkansas state supervisor of education "Solomon Northup's trials and tribulations are retold in such a way that young-adult readers will be totally captivated by his story." -Children's Literature Solomon Northup, a family man and hack driver in upstate

New York, was kidnapped, whisked away from his home, and sold into slavery. His remarkable account of the epic journey from free man of color to slave to free man again is even more astonishing because it was written entirely from memory. As a slave, Northup was permitted neither pen nor paper, yet he was able to recall his ordeal in exacting detail. Considered one of the best firsthand accounts of the slavery experience, this autobiographical story, originally published in 1853, has been painstakingly rewritten for children aged eight through twelve. This story of perseverance presents to children a personal side of the often-detached history of slavery. Sue Eakin, who interpreted the story for a younger audience, saw her first copy of Solomon Northup's *Twelve Years a Slave: 1841-1853* when she was just twelve years old. Years later, as a graduate student at Louisiana State University, she chose the book as the topic for her thesis.

American Slavery as it is Ravenio Books

In his latest historical novel, bestselling author Robert Morgan brings to

full and vivid life the story of Jonah Williams, who, in 1850, on his eighteenth birthday, flees the South Carolina plantation on which he was born a slave. He takes with him only a few stolen coins, a knife, and the clothes on his back--no shoes, no map, no clear idea of where to head, except north, following a star that he prays will be his guide. Hiding during the day and running through the night, Jonah must elude the men sent to capture him and the bounty hunters out to claim the reward on his head. There is one person, however, who, once on his trail, never lets him fully out of sight: Angel, herself a slave, yet with a remarkably free spirit. In Jonah, she sees her own way to freedom, and so sets out to follow him. Bristling with breathtaking adventure, *Chasing the North Star* is deftly grounded in historical fact yet always gripping and poignant as the story follows Jonah and Angel through the close calls and narrow escapes of a fearsome world. It is a celebration of the power of the human spirit to persevere in the face of great adversity. And it is Robert Morgan at his considerable best. [Slave Life in Georgia](#)

PublicAffairs
Slavery in the United States lasted more than two centuries. The adoption of the Thirteenth Amendment to the U.S. Constitution in December 1865 abolished slavery after the American Civil War. The first slaves were forcibly removed from Africa by British slave traders beginning in the early 1600s. Redoshi, later renamed Sally Smith, was the last surviving female slave brought to the U.S. from Africa. A Benoise war captive, she was illegally transported to the US (importing slaves having been outlawed 50 years prior). The last surviving male slave, Oluale Kossula (aka Cudjo Lewis), had been transported on the sale ship and was most likely part of the Yoruba people in Benin. The quality of a slave's life depended completely on their master's will. It was considered normal, for example, for masters to rape their slaves, who were considered their property. Slaves who escaped were branded, killed, or punished severely in other ways. Solomon Northup *Twelve Years a Slave* Booker T. Washington *Up From Slavery* Frederick Douglass *From Slavery to*

With the recent success of the movie and book "Twelve Years A Slave" in mind, this title, as the name imports, gives a

true picture of the state of slavery in the United States in the first half of the 19th century. It had an important bearing on the great controversy upon this subject at the time it was published. The evidence which it contains is minutely circumstantial. A considerable portion of the book consists of the narratives of persons who have resided at the south, and witnessed the treatment of the slaves on the plantation with which they were conversant. With very few exceptions the name of the witness is given, and in the cases in which circumstances make it unsafe that he should be known, his character for integrity is vouched for by some responsible person. In some instances also, but those very few, the witness relates what was told him by persons on whose veracity he could rely. But the great mass of the evidence is original and from known and named witnesses. Please be advised that this book contains very explicit and detailed narratives that tell of torture, pain and cruelty.

American Slavery As It Was - The Background Of Twelve Years A Slave
Jazzybee Verlag
Slavery is as basic a part

of Virginia history as George Washington, who was accompanied at Valley Forge and Yorktown by his slave William Lee, and Thomas Jefferson, who directed his slaves to cut 30 feet off a mountaintop for the site of Monticello. Slavery in the Old Dominion began in 1619, when a Spanish frigate was captured and its cargo of Negroes brought to Jamestown. Virginia Negroes experienced slavery as field laborers, as skilled craftsmen, as house servants. In 1935, the Virginia Writers' Project began collecting data for a history of Negroes in the Old Dominion through the Civil War, Reconstruction, and the Depression. Published in 1940 as "The Negro in Virginia", it was regarded as a "classic of its kind." Modern readers will be surprised at how relevant it remains today. -- From publisher's description.

Slave Narratives of the Underground Railroad
Icon Books

'A beautiful, compelling artifice, spun from unspeakably savage facts . . . a fiction that faces the terrible truth about slavery' The Times
WINNER OF THE COMMONWEALTH PRIZE FOR FICTION Based on a

true story, Lawrence Hill's epic novel spans three continents and six decades to bring to life a dark and shameful chapter in our history through the story of one brave and resourceful woman. Abducted from her West African village at the age of eleven and sold as a slave in the American South, Aminata Diallo thinks only of freedom - and of finding her way home again. After escaping the plantation, torn from her husband and child, she passes through Manhattan in the chaos of the Revolutionary War, is shipped to Nova Scotia, and then joins a group of freed slaves on a harrowing return odyssey to Africa. What readers are saying: *****

rapid expansion in the decades before the Civil War. “Rigorously researched, heartfelt, and dramatically concise, Bell’s investigation illuminates the role slavery played in the systemic inequalities that still confront Black Americans” (Booklist). [The Negro in Virginia](#) Random House Willie Lynch, a British slave owner from the West Indies, stepped onto the shores of colonial Virginia in 1712, bearing secrets that would shape the fate of generations to come. Within this manuscript, allegedly transcribed from Lynch’s speech to American slaveholders on the banks of the James River, lies a blueprint for subjugation. Lynch’s genius lay not in brute force but in psychological warfare. He understood that to break a people, one must first break their spirit. His methods—pitiless and cunning—sowed seeds of distrust, pitting slave against slave, exploiting vulnerabilities, and perpetuating a cycle of suffering. This document sheds light on the brutal realities of slavery and the ways in which its legacy continues to shape contemporary society
The Trial: A BookShot

Simon and Schuster Narrative of the author's experiences as a slave in St. Louis and elsewhere.
The Book of Lost Friends BookShots The true story behind the acclaimed movie *12 Years a Slave*, this book is based on the life of Solomon Northup, a free black man from New York who was captured in the United States and sold into slavery in Louisiana. Solomon Northup awoke in the middle of the night with his body trembling. Slowly, he realized that he was handcuffed in a dark room and his feet were chained to the floor. He managed to slip his hand into his pocket to look for his free papers that proved he was one of 400,000 free blacks in a nation where 2.5 million other African Americans were slaves. They were gone. This remarkable story follows Northup through his 12 years of bondage as a man kidnapped into slavery, enduring the hardships of slave life in Louisiana. But the tale also has a remarkable ending. Northup is rescued from his master's cotton plantation in the deep South by friends in New York. This is a compelling tale that looks into a little known slice of history,

sure to rivet young readers and adults alike. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/comm oncore for more information.

Thoughts Upon Slavery

Turtleback Books

Twelve-year-old Ann Maria Weems works from sunup to sundown, wraps rags around her feet in the winter, and must do whatever her master or mistress orders--but she has something that many plantation slaves don't have. She has her wonderful family around her. To Ann, her teasing brothers, her older sister, and her protective and loving parents are everything. And then one day, they are gone. Separated from her family by her master and shipped off as a housemaid, Ann learns something about independence and about

love before the opportunity for escape arrives. A white man risks his life for Ann, cuts her hair short, dresses her like a boy, and launches her on her journey on the Underground Railroad to Canada, her family, and finally to freedom. Until she was a teenager, Ann Maria Weems lived in the mid-1800s near the author's home in Maryland. This fictionalized account of her extraordinary life is ideal for students, teachers, and parents hungry for interesting and informative reading in African-American history and the Underground Railroad.

Trapped Between the Lash and the Gun Courier Corporation

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light

one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today. *Slave* Simon and Schuster For the first time--the complete story of the life and times of the most important black woman writer of the 19th century.
