<b>Jaidyn Mathews</b>	
<i>The Crucible</i> DIANE Publishing The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. <i>Lieutenant Reim Collection Set (Reim 1 -5)</i> Light Technology Publishing 1. Stasi Vice For Lieutenant Reim of the Stasi, life in East Berlin is a satisfying blend of days behind a desk and nights in front of a bottle. But when a senior officer has a messy affair, it falls to Reim to do the clearing up. It's a straightforward job. Lean on a few people to get them to shut up. Intimidate neighbours, bribe officials and appeal to the socialist conscience of Party members. But as Reim starts his interrogations, he realises his boss is hiding more than just a lover. Reim investigates his superior—and what he uncovers puts his own life at risk. 2. Operation Oskar Lieutenant Reim of the Stasi is down in the dumps. Literally. Sent to Schöneiche landfill site on a punishment assignment, Reim soon discovers Soviet soldiers searching the tip for porn, Westerners smuggling cigarettes and a truck driver with something to hide. Determined to find out more, Reim is soon caught up in a case that takes him over the Berlin Wall to the capitalist West. But when the KGB and the British occupation forces in Berlin begin to take an interest, Reim has to ask whether Operation Oskar is worth risking his life for. 3. Berlin Centre A West German police officer defects to the GDR, bringing evidence of a mole in the Stasi. As rumours of a Western spy spread through Berlin Centre, Reim is sent to Bonn on a mission to catch a mole he doesn't want to find – does his reluctance to investigate have anything to do with the secrets he'd prefer remained hidden? 4. Baltic Approach When the West German, Werner Seiffert, crosses the Berlin Wall to ask for an agent by name, the Stasi want to know why. Lieutenant Reim is haunted by the deaths of two of his colleagues, but has to leave his ghosts behind when he's ordered to find and arrest Seiffert. He follows the trail north to a seaside hotel populated by spies and winter holiday makers, but is the man Reim tracks down the one he was sent to find? And can the West German force the Stasi to re-open a case that Reim had hoped was closed forever? 5. Rostock Connection Rumours of a mole in the Stasi's foreign intelligence wing just won't go away, and once again Lieutenant Reim is tasked with investigating. But six months after he first heard reports of a Western agent in the ranks of the Stasi, he's no closer to finding enough evidence against the officer he believes to be responsible for the leaks. To find the traitor and close the case, Reim has to go deeper undercover than ever before—but will he survive the final showdown with the agent he's tracked across the Iron Curtain? ----- Keywords: East Germany, DDR, GDR, East Berlin, Berlin Wall, Iron Curtain, Cold War, Stasi, MfS, secret police, Volkspolizei, Soviet, KGB, crime, spy, espionage, procedural, hard boiled, noir, historical, twentieth-century history, Brandenburg, communism, omnibus, bundle, collection, Lieutenant Reim. <i>Hey, Kiddo: A Graphic Novel</i> Modern Library Examines the Montgomery Bus Boycott, highlighting the history, controversy, and personal narratives. <i>Lamb to the Slaughter (A Roald Dahl Short Story)</i> DigiCat This report of the President's Commission on Law Enforcement and Administration of Justice -- established by President Lyndon Johnson on July 23, 1965 -- addresses the causes of crime and delinquency and recommends how to prevent crime and delinquency and improve law enforcement and the administration of criminal justice. In developing its findings and recommendations, the Commission held three national conferences, conducted five national surveys, held hundreds of meetings, and interviewed tens of thousands of individuals. Separate chapters of this report discuss crime in America, juvenile delinquency, the police, the courts, corrections, organized crime, narcotics and drug abuse, drunkenness offenses, gun control, science and technology, and research as an instrument for reform. Significant data were generated by the Commission's National Survey of Criminal Victims, the first of its kind conducted on such a scope. The survey found that not only do Americans experience far more crime than they report to the police, but they talk about crime and the reports of crime engender such fear among citizens that the basic quality of life of many Americans has eroded. The core conclusion of the Commission, however, is that a significant reduction in crime can be achieved if the Commission's recommendations (some 200) are implemented. The recommendations call for a cooperative attack on crime by the Federal Government, the States, the counties, the cities, civic organizations, religious institutions, business groups, and individual citizens. They propose basic changes in the operations of police, schools, prosecutors, employment agencies, defenders, social workers, prisons, housing authorities, and probation and parole officers. <i>Arrest-Proof Yourself</i> Looseleaf Law Publications Corporation Social ProblemsSAGE Publications <b>The Leo Frank Case</b> Feral House To understand human character, one must first explore the depraved reaches of human consciousness	

<i>Kentucky's Famous Feuds and Tragedies</i> Beacon Press "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnus opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller. <i>The Gates of Janus</i> One World Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer ) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today. <i>Social Problems</i> DIANE Publishing Ashamed of his younger brother's physical handicaps, an older brother teaches him how to walk and pushes him to attempt more strenuous activities. <i>The Witches</i> Little, Brown The author relates how, as a young adult, he became a drug user and smuggler, was arrested, did time in prison, and eventually got out and went to college, all the while hoping to become a writer. An ALA Notable Book. Reprint. <b>Beautiful Boy</b> Modern Library This New York Times bestselling novel from acclaimed author Walter Dean Myers tells the story of Steve Harmon, a teenage boy in juvenile detention and on trial. Presented as a screenplay of Steve's own imagination, and peppered with journal entries, the book shows how one single decision can change our whole lives. Monster is a multi-award-winning, provocative coming-of-age story that was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. Monster is now a major motion picture called All Rise and starring Jennifer Hudson, Kelvin Harrison, Jr., Nas, and A\$AP Rocky. The late Walter Dean Myers was a National Ambassador for Young People's Literature, who was known for his commitment to realistically depicting kids from his hometown of Harlem. <b>Parliamentary Debates (Hansard)</b> . SAGE Publications The events surrounding the 1913 murder of the young Atlanta factory worker Mary Phagan and the subsequent lynching of Leo Frank, the transplanted northern Jew who was her employer and accused killer, were so wide ranging and tumultuous that they prompted both the founding of B'nai B'rith's Anti-Defamation League and the revival of the Ku Klux Klan. The Leo Frank Case was the first comprehensive account of not only Phagan's murder and Frank's trial and lynching but also the sensational newspaper coverage, popular hysteria, and legal demagoguery that surrounded these events. Forty years after the book first appeared, and more than ninety years after the deaths of Phagan and Frank, it remains a gripping account of injustice. In his preface to the revised edition, Leonard Dinnerstein discusses the ongoing cultural impact of the Frank affair. <i>Hide and Geek</i> OV Press This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus. <i>In Cold Blood</i> National Academies Press Now adapted for readers ages 12 and up, the award-winning biography that examines Parks's life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning The Rebellious Life of Mrs.
---

Rosa Parks, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. The *Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. The *Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" —Jason Reynolds "Stunning." —John Green "This story is necessary. This story is important." —Kirkus (starred review) "Heartbreakingly topical." —Publishers Weekly (starred review) "A marvel of verisimilitude." —Booklist (starred review) "A powerful, in-your-face novel." —Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

**The 57 Bus** Houghton Mifflin Harcourt

The Pulitzer Prize-winning author of *Cleopatra*, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, *THE WITCHES* is Stacy Schiff's account of this fantastical story—the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

*Identifying the Culprit* Scholastic Inc.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

**Born a Crime** Createspace Independent Publishing Platform

A puzzlemaker's last clue. A friendship's last chance. The GEEKs: Gina, Edgar, Elena, and Kevin have been best friends for as long as they can remember. So when their arch-nemesis points out that their initials make them literally GEEKs, they decide to go with it. The problem: The GEEKs' hometown of Elmwood was once the headquarters of the famous toymaker Maxine Van Houten. Her popular puzzle sphere, the Bamboozler, put the town on the map. But Maxine passed away long ago. Now the toy factory is shutting down, and Elena's mom and Kevin's dad are losing their jobs. They might have to move—and that would mean splitting up the GEEKs! The quest: Maxine left one final puzzle, a treasure hunt that could save the town and keep the friends together. But only those who know and love Elmwood best will be able to solve it. GEEKs to the rescue!

*Fifty Years a Detective* Macmillan

The Civil Rights Division of the United States Department of Justice opened its investigation of the Ferguson Police Department ("FPD") on September 4, 2014. This investigation has revealed a pattern or practice of unlawful conduct within the Ferguson Police Department that violates the First, Fourth, and Fourteenth Amendments to the United States Constitution, and federal statutory law. Over the course of the investigation, we interviewed City officials, including City Manager John Shaw, Mayor James Knowles, Chief of Police Thomas Jackson, Municipal Judge Ronald Brockmeyer, the Municipal Court Clerk, Ferguson's Finance Director, half of FPD's sworn officers, and others. We spent, collectively, approximately 100 person-days onsite in Ferguson. We participated in ride-alongs with on-duty officers, reviewed over 35,000 pages of police records as well as thousands of emails and other electronic materials provided by the police department. Enlisting the assistance of statistical experts, we analyzed FPD's data on stops, searches, citations, and arrests, as well as data collected by the municipal court. We observed four separate sessions of Ferguson Municipal Court, interviewing dozens of people charged with local offenses, and we reviewed third-party studies regarding municipal court practices in Ferguson and St. Louis County more broadly. As in all of our investigations, we sought to engage the local community, conducting hundreds of in-person and telephone interviews of individuals who reside in Ferguson or who have had interactions with the police department. We contacted ten neighborhood associations and met with each group that responded to us, as well as several other community groups and advocacy organizations. Throughout the investigation, we relied on two police chiefs who accompanied us to Ferguson and who themselves interviewed City and police officials, spoke with community members, and reviewed FPD policies and incident reports.
