On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

Ten Prayers God Always Says Yes To Moody Publishers

There have been thousands of books written about prayer and millions of sermons preached about it, yet people continue to wonder: Why doesn't God answer me when I cry out to him? In light of all the problems we face in life, we want to know why God is often so "silent" when we pray to him. Anthony DeStefano, author of the bestselling *A Travel Guide to Heaven*, knew there had to be an answer to this mystery, so he set out on a quest to find prayers that God says yes to all the time. The result is an extraordinary new book that has the ability to dramatically change the lives of readers of all faiths. Each short, powerful prayer in *Ten Prayers God Always Says Yes To* addresses a particular problem people commonly face in life—from accepting the existence of God to trying to make ends meet; from getting through terrible suffering to coping with everyday stress; from overcoming fear to finding your God-given destiny. Presented with a certainty and vigor that are sure to pique the interest of even those who are not spiritually inclined, these prayers will help readers find solutions to life's most difficult situations and provide meaningful and inspiring answers to the vexing questions we have about the purpose of our time on earth. In a world awash with superficial self-help books and deceptive gimmicks, *Ten Prayers God Always Says Yes To* is the real thing. Using hundreds of scriptural references to support his claims, DeStefano writes in a simple, straightforward, and uplifting manner that makes the most profound theological matters understandable to all. In the words of the author, "This is a spiritual treasure chest that is available to everyone.... This book is about prayers that work—really, truly work."

31 Days of Prayer Journal Bytes 4 the Heart

Over the centuries, many people have nurtured the mindset that praying is a tedious task, or perhaps that certain people have received the ability has one of the fruits of the spirit, to this there is no controversy whatsoever, but the Holy Bible on several accounts exhorts that all believers must "pray without ceasing" (1 Thes. 5:17). To pray without ceasing means that everyone is committed with the responsibility to pray because prayer is an act of communicating with God. The only way set out by which we can speak with the heavenly Father is by engaging in prayers. As believers, we cannot overemphasize the efficacy of prayer. In James 5:16, we read that the effectual fervent prayer of a righteous man avails much. Having justified the importance and potency of prayer, it is, therefore, expedient to address the fact that there is a pattern for prayer that God would regard. It may interest you to know that there is a prayer that God will not answer! I know that sounds ridiculous to your ears. "Ye ask, and receive not, because ye ask amiss..." (James 4:3 KJV). Does this verse ring a bell to your heart? Did you know that God has a system created to scan through your prayer pattern? That is why you have this book created with biblical scriptures as a reference to guide you receive your Prayer requests from God. How to get your prayers answered in 10 days is a book that gives you precise action points to get that which you seek. There are some obvious things that we don't think should matter when we seek to receive answers from God when we pray. The pattern for an effective prayer had been laid by Jesus, and there is no other pattern apart from his. To come to a full understanding of this truth, this book, with the help of the Holy Spirit, has done much justice by shedding more light to guide your prayer pattern, which will provoke a swift response from heaven. The 10 days book was prayerfully written by revelations and the Holy one's inspiration to enlighten your knowledge and bring tremendous impact upon its reader(s). In each chapter, you will be exposed to secrets that initiate Jesus' promises over your requests. "Verily I say

unto you, whatsoever ye shall bind on earth shall be bound in heaven: and whatsoever ye shall loose on earth shall be loosed in heaven" (Matthew 18:18). The book opens with the doctrine of salvation. May it be known to you, dear reader, that God does not hear the prayer of a sinner except unto repentance. If you are reading this book without the assurance of salvation in your heart, I am afraid you are risking your life with impending wrath hung overhead. But the good news there is that you can join the pilgrim's band today by accepting the Lordship of Jesus into your life and as your Savior. "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us" (Romans 5:18). You too can accept Jesus today; the steps you will follow have been highlighted in chapter one. My prayer is that God in His abundant mercy will count you among the redeemed of the Lord today. Following the work of redemption are several patterns that, if rightly observed, will bring you an undoubted testimony. This book is not specified to a specific group of individuals. It is for everyone who desires growth and swift answers to their prayers. It also serves as the best book to be gifted to loved ones, families, friends, and acquaintances. With this book, a sincere encounter with God is unavoidable.

Journey in Prayer Abingdon Press

Will Stoll, Senior Pastor of Northwest Church in Fresno, California, wrote this devotional book based on a video series he had completed a few years earlier. It started as a practical "how to" book on prayer, answering questions like, "Why should I pray?" and "How do I spend time with God?" However, a near-fatal event with his infant daughter deepened Will's need to connect to the power of God through prayer. Through this experience Will realized the true impact of prayer and our incredible need for God in our everyday living. How about you? Do you desire to experience more of God's power, His peace and His love in your own life? Join us on this personal journey called 40 Days of Prayer. We'll cover topics like: Why Prayer? How to Get Results? Meeting with God? Prayer Extinguishers and more.

Arriving at Amen Multnomah

Heritage Edition—Over 100 illustrations of a century ago. Unabridged, original text consisting of inspiring and profound lessons from the stories and parables which Jesus told. Christ the Great Teacher gave much of His instruction as He walked with His disciples through the hills and valleys of Palestine or rested by the lake or river. In His parable teaching He linked divine truth with common things and incidents, as may be found in the experiences of the shepherd, the builder, the tiller of the soil, the traveler, and the homemaker. Familiar objects were associated with thoughts true and beautiful—thoughts of God's loving interest in us, of the grateful homage that is His due, and of the care we should have one for another. Thus lessons of divine wisdom and practical truth were made forcible and impressive. The Scripture says, "All these things spake Jesus unto the multitude in parables; . . . that it might be fulfilled which was spoken by the prophet, saying, I will open My mouth in parables; I will utter things which have been kept secret from the foundation of the world." Matt. 13:34, 35. Natural things were the medium for the spiritual; the things of nature and the life-experience of His hearers were connected with the truths of the written word. Leading thus from the natural to the spiritual kingdom, Christ's parables are links in the chain of truth that unites man with God, and earth with heaven. In this volume the parables are grouped according to their subjects, and their lessons are developed and illustrated. The book is full of gems of truth, and to many readers it will give a richer meaning to the common surroundings of everyday life.
