We Five tells the story of five young female friends and co-workers through the voices of five different authors, the story unfolding against five distinct historic backdrops. The driving conceit is that an anonymously authored manuscript from the mid-1860s (perhaps the work of Dickens contemporary Elizabeth Gaskell) was discovered and later published. Over the succeeding decades four other authors choose to retell this story in their own time

and in their own way. The last author has now gone a step further: she has assembled all five versions into a literary pastiche which cycles chapter-by-chapter through the different versions as the central narrative progresses. The result is a novel about five young women pursued by five young men of predatory purpose, which takes place alternatively in a small mill town outside of Manchester, England in 1859; in San Francisco on the eve of the 1906 earthquake and fire; in Sinclair Lewis's fictional Zenith, Winnemac in 1923; in London during the Blitz of autumn, 1940; and in a small town in northern Mississippi in 1997. In the first book "We Five" are seamstresses; in the next they are departmentstore sales clerks; in the next, they sing in the choir of a popular female evangelist; in the next, they work in an ordinance factory outside of London; and in the final version, they are cocktail waitresses in a Mississippi River casino. The book's climax is a dramatic collision of all five incarnations of the story: an incident of mass hysteria arising from a solar storm in 1859, the 1906 San Francisco quake, a fire in the evangelist's newly built "temple" in 1923,

the 1940 Balham Underground station bombing and flooding, and a tornado in rural 1997 Mississippi. *The Memory Police* MP Publishing INSTANT NEW YORK TIMES BESTSELLER! Fight Like a Girl Simon and Schuster Award-winning thriller writer Sheena Kamal delivers a kick-ass debut YA novel about a teenage kick-boxer coming to terms with her father passing away. Love and violence. In some families they're bound up together, dysfunctional and poisonous, passed from generation to generation like eye color or a quirk of smile. Trisha's trying to break the chain, channeling her violent impulses into Muay Thai kickboxing, an unlikely sport for a slightly built girl of Trinidadian descent. Her father comes and goes as he pleases, his presence adding a layer of tension to the Toronto east-end townhouse that Trisha and her mom call home, every punch he lands on her mother carving itself indelibly into Trisha's mind. Until the night he wanders out drunk in front of the car Trisha is driving, practicing on her learner's permit, her mother in the passenger seat. Her father is killed, and her mother seems strangely at peace. Lighter, somehow. Trisha doesn't know exactly what happened that night, but she's afraid it's going to happen again. Her mom has a new man in her life and the

patterns, they are repeating.

Fourth Grave Beneath My Feet Bethany Adams

From two-time Carnegie Medal winner Patrick Ness comes an enthralling and provocative new novel chronicling the life — or perhaps afterlife — of a teen trapped in a crumbling, abandoned world. A boy named Seth drowns, desperate and alone in his final moments, losing his life as the pounding sea claims him. But then he wakes. He is naked, thirsty, starving. But alive. How is that possible? He remembers dying, his bones breaking, his skull dashed upon the rocks. So how is he here? And where is this place? It looks like the suburban English town where he lived as a child, before an unthinkable tragedy happened and his family moved to America. But the neighborhood around his old house is overgrown, covered in dust, and completely abandoned. What's going

on? And why is it that whenever he closes his eyes, he falls prey to vivid, agonizing memories that seem more real than the world around him? Seth begins a search for answers, hoping that he might not be alone, that this might not be the hell he fears it to be, that there might be more than just this. . . .

Arranged as a mother's survival guide to her daughter, For Tamara is a touching and inventive long poem about surviving and thriving from the author of The Work of Days. It seems simple: a long letter, from a mother to a daughter, relaying the information needed to survive on this earth. But as Sarah Lang's second book, For Tamara, unfolds, it becomes a roughly-hewn, genre-bending, post-apocalyptic survival guide. The world with which we are familiar has ended, and in its wake are the countless dead and survivors who are little more than scavengers. The poem's unforgettable narrator, mother to a young girl named Tamara, has decided to leave her daughter with a document that will not only express her love for her, but that will

also teach her how to live. The result is a hauntingly complex artifact and monologue, heartbreakingly consistent yet wildly unexpected, a story of survival and hope that, through the force of its profound form, brings its ideas, insights, and characters blindingly to life. Against this bleak setting, we fear for Tamara's future as we ponder our own. What results is a work of unflinching tenacity and tenderness. This is a poem of abiding power.

Letters from Skye Macmillan

"To the people on the island, a disappeared thing no longer has any meaning. It can be burned in the garden, thrown in the river or handed over to the Memory Police. Soon enough, the island forgets it ever existed. When a young novelist discovers that her editor is in danger of being taken away by the Memory Police, she desperately wants to save him. For some reason, he doesn't forget, and it's becoming increasingly difficult for him to hide his memories. Who knows what will vanish next?"--

'I loved every page of this funny, warm, delightful novel!' LIANE MORIARTY You can marry into them, but can you ever really be one of them? A novel about marriage, love and family. Things haven't gone well for Simon Larsen lately. He adores his wife, Tansy, and his children, but since his business failed and he lost the family home, he can't seem to get off the couch. His larger-than-life in-laws, the Schnabels - Tansy's mother, sister and brother - won't get off his case. To keep everyone happy, Simon needs to do one little job: he has a week to landscape a friend's backyard for an important Schnabel family event. But as the week progresses, Simon is derailed by the arrival of an unexpected house guest. Then he discovers Tansy is harbouring a secret. As his world spins out of control, who can Simon really count on when the chips are down? Life with the Schnabels is messy, chaotic and joyful, and Dinner with the Schnabels is as heartwarming as it is outrageously funny. Praise for Dinner with the Schnabels: 'Told with great humour and pathos. It is a tonic and a delight.' PIP WILLIAMS, author of The

From Geronimo! to gesundheit to haminahamina to holy mackerel, and from abracadabra to zoinks, Mark Dunn and Sergio Aragonés show you interjections like you've never seen them before. Often thought of as unnecessary verbal fringe or simply linguistic decoration, interjections (ahem, howdy, mamma mia, pshaw, tally-ho, whoop-de-do) may well be the most overlooked part of speech in the English language. ZOUNDS! A Browser's Dictionary of Interjections focuses the spotlight on this most deserving (and sometimes most demented) grammatical

group. A light-hearted look at more than 500 interjections, *ZOUNDS!* explores the origins of these essential words and highlights the contributions of these previously unheralded parts of speech. Perfect for both word lovers and the casual reader, *ZOUNDS!* brings together the linguistic talents of Mark Dunn, author of the award-winning novel *Ella Minnow Pea*, and the graphic hilarity of Sergio Aragonés, the legendary cartoonist and contributor to *Mad Magazine*, for a delightful romp through grammar, culture, and the English language. Famous interjections include: "Eureka!" - Archimedes "Badabing-badaboom" -Tony Soprano "Stuff and nonsense!" -Alice, Alice in Wonderland "Bah! Humbug!" -Scrooge "Fiddle-dee-dee !" -Scarlett O'Hara "Leapin' lizards!" -Little Orphan Annie "Nanoo, nanoo" -Mork, from "Mork & Mindy" "Dyn-O-Mite!" -Jimmie Walker, "Good Times" "Bully!" -President Theodore Roosevelt

"A Civil War odyssey in the tradition of Charles Frazier's *Cold Mountain* and Robert Olmstead's *Coal Black Horse*, Mosher's latest, about a Vermont teenager's harrowing journey south to find his missing-in-action brother, is old-fashioned in the best sense of the word....The story of Morgan's rite-of-passage through an American arcadia despoiled by war and slavery is an engrossing tale with mass appeal."
 -Publisher's Weekly
 Morgan Kinneson is both hunter and hunted. The sharp-shooting 17-year-old from Kingdom County, Vermont, is determined to track down his brother Pilgrim, a doctor who has gone missing from the Union Army. But first Morgan must elude a group of murderous escaped convicts in pursuit of a mysterious stone that has fallen into his possession. It's 1864, and the country is in the grip of the bloodiest war in American history. Meanwhile, the Kinneson family has been quietly conducting passengers

on the Underground Railroad from Vermont to the Canadian border. One snowy afternoon Morgan leaves an elderly fugitive named Jesse Moses in a mountainside cabin for a few hours so that he can track a moose to feed his family. In his absence, Jesse is murdered, and thus begins Morgan's unforgettable trek south through an apocalyptic landscape of war and mayhem. Along the way, Morgan encounters a fantastical array of characters, including a weeping elephant, a pacifist gunsmith, a woman who lives in a tree, a blind cobbler, and a beautiful and intriguing slave girl named Slidell who is the key to unlocking the mystery of the secret stone. At the same time, he wrestles with the choices that will ultimately define him - how to reconcile the laws of nature with religious faith, how to temper justice with mercy. Magical and wonderfully strange, *Walking to Gatlinburg* is both a thriller of the highest order and a heartbreaking odyssey into the heart of American darkness.
