Resource Book - Unit 6, Blanc 2 (McDougal Littell Discovering French Nouveau) McDougal Littell/Houghton Mifflin

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. Never Let Me Gobreake through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date. From the Hardcover edition.

The Cambridge Companion to Medieval Women's Writing McDougal Littell/Houghton Mifflin

The history of the world--triumphs and tragedies, breakthroughs and breakups--through the iconic jewels that have inspired and influenced since the dawn of time. From ancient treasures to royal weddings, great heists to the red carpet, this book is a stunning, surprising, and glittering tour of historic turning points and gem-driven drama, delving into the passions and predilections of some

of the world's most interesting and extraordinary people. Starting in the era of Cleopatra and continuing through to contemporary jewelry statements by Jennifer Lopez, Lady Gaga, and Meghan Markle, Stellene Volandes tells the stories of how shiny stones and precious metals have determined empires, inspired expeditions and great crime, and been the communicator of status and ruin since ancient times. Each moment is placed in historic and relevant context, with Volandes drawing engaging parallels between Napoleon's gift to Marie Louise at the birth of their son and the modern push present or the insouciant story behind the brooch Jackie Kennedy famously wore to a 1962 State Dinner with the Shah of Iran. Illustrated with a mix of archival images and gorgeous photography of the jewels, this book is a beautiful, informative, and essential read for history lovers, fashion, celebrity, and pop-culture followers, as well as passionate jewel hounds.

Bon Voyage! *Discovering French-Rouge* Level 3

"Organists, scholars of the organ and its music, and listeners who love French romantic organ music will all welcome this definitive account of the early career of Aristide Cavaille-Coll, the greatest organ builder of nineteenth-century France. Based on the author's earlier Cavaille-Coll and the Musicians, this book describes Cavaille-Coll's relationships with Cesar Franck and such other contemporary composer/organists as Lefebure-Wely, Danjou, and Lemmens. Fenner Douglass draws on previously unavailable primary archives to highlight the projects that were pivotal to Cavaille-Coll's success, among them the magnificent instruments he designed and

installed in St.-Denis, La Madeleine, St.-Vincent-de-Paul, and other churches in and around Paris. Of special interest is the documentation Douglass presents pertaining to the instrument for Franck at

Ste.-Clotilde in Paris."--BOOK JACKET. "In the final chapter, the author discounts the popular belief that Cavaille-Coll in his old age foresaw the future popularity of electro-pneumatic key action and regretted his inability to become involved in that development. In fact, Douglass says, the organ

builder had little interest in the use of electricity as a supplementary source of energy for the organ."--BOOK JACKET.
