"English Alive!
is a series

designed specifically to meet the needs of English students in Caribbean secondary schools. The book covers the key areas of reading comprehension, listening and speaking, writing grammar and language usage and vocabulary development. Particular attention is given to the often challenging area of poetry. The book also covers common errors made by students. A

reference section contains verb tables, including a section on tenses (notoriously difficult for learners), irregular verbs and a glossary of language words and literary terms,"--page [4] of cover. New English File Breakthrough Plus A communicatio n-focussed course in American English. This flexible course builds confidence through an emphasis on

speaking and listening skills, and enhances learning through the innovative and interactive digibook. The Teacher's Resource Book Pack contains teacher's notes, a test generator CD-ROM and a webcode for the Digibook. **Skyjack!** Cambridge University Press Aim High will help your students succeed as language learners in the classroom, with their homework and also in
