Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher, the lift comes with a hitch. Carmen's got a wild story to tell—all about her husband, her family secrets, and a hometown that's purely gothic. She's also got a plan. Reacher's part of it. And before the sun sets, this ride could cost them both their lives.

*Without Fail* Random House Digital, Inc. #1 NEW YORK TIMES BESTSELLER • Don't miss the hit streaming series Reacher! "Jack Reacher is today's James Bond, a thriller hero we can't get enough of."—Ken Follett "This is a random universe," Reacher says. "Once in a blue moon things turn out just right." This

isn't one of those times. Reacher is on a Greyhound bus, minding his own business, with no particular place to go, and all the time in the world to get there. Then he steps off the bus to help an old man who is obviously just a victim waiting to happen. But you know what they say about good deeds. Now Reacher wants to make it right. An elderly couple have made a few well-meaning mistakes, and now they owe big money to some very bad people. One brazen move leads to another, and suddenly Reacher finds himself a wanted man in the middle of a brutal turf war between rival Ukrainian and Albanian gangs. Reacher has to stay one step ahead of the loan sharks, the thugs, and the assassins. He teams up with a fed-up waitress who knows a little more than she's letting on, and sets out to take down the powerful and make the greedy pay. It's a long shot. The odds are against him. But Reacher believes in a certain kind of justice . . . the kind that comes along once in a blue moon. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD

Somebody, it would seem, is seeking vengeance, and Longmire might be the only thing standing between the three remaining boys and a Sharps .45-70 rifle. With lifelong friend Henry Standing Bear, Deputy Victoria Moretti, and a cast of characters both tragic and humorous enough to fill in the vast emptiness of the high plains, Walt Longmire attempts to see that revenge, a dish best served cold, is never served at all.

Everything starts somewhere. For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. A lonely railroad track. A crime scene. A cover-up. A young woman is dead, and solid evidence points to a soldier at a nearby military base. But that soldier has powerful friends in Washington. Reacher is ordered undercover to find out everything he can and then to vanish. But when he gets to Carter Crossing, Reacher meets local sheriff Elizabeth Deveraux, who has a thirst for justice and an appetite for secrets. Uncertain they can trust each other, they reluctantly join forces. Finding unexpected layers to the case, Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission—and turn him into a man to be feared.
