Get ready to meet your dragon family and discover life patterns unknowable by any conventional means of astrological analysis. The ancient Chinese believed that lunar eclipse occurred when a dragon ate the moon. Our birth charts reveal we belong to a heavenly family--a family of dragons, or galvanizing lunar eclipse patterns, many of which are ancient and have been returning for centuries to check up on us, their earthly kin. Get ready to meet your dragon family and discover life

patterns that have been dancing you through elaborate cosmic steps heretofore unknowable by any conventional means of astrological analysis. Who wouldn't want to dance with dragons? Nothing has captured their essence more than this book. Who are these dragons? Which Dragon family do you belong to? Which Dragon owns the Astrological DNA of your soul? How are Dragons influencing your life? If you're looking for a precision instrument that is useful, reliable and will function 100 percent of the time, the forty-seven families of lunar eclipses outlined in this book have quite the stories to tell. Some are ancient, some are new, and some have yet to be born. But they each have the power to illuminate your sphere of influence. We all want to fulfill the

highest, truest expression of ourselves as human beings and a knowledge of how these Lunar Saros Series eclipses work shines a special quality of light upon our personality and our pathway through the world. You will see how the eclipses have impacted lives and brought fame, fortune and sometimes despair. Book of Why CRC Press

Grief doesn't discriminate. It will touch all of us at some point; an uninvited guest that can't be shown the door, that

takes over our lives and changes us forever. In this gut-wrenchingly beautiful book, Darrelyn Gunzburg shows us how knowing the shape of grief and its consequences over time give edges and boundaries to this dark pathway, revealing that through the prickly branches and the mist, life awaits us at the edge of the forest, dressed in cloths of gold and sustained with love and warmth. Helping ourselves first means we gain the wisdom that grief gives us to help others on their unique journey to encounter a changed future with focus, determination, and understanding when grief comes to call. To allow someone in grief to give voice to their experiences is not just being kind. It is saving their life. All the Sun Goes Round The Wessex Astrologer

The Complete Node Book John Hunt Publishing

Despite incredible and previously undreamed-of advances in modern medicine, for many women the issue of infertility remains a heart-breaking reality. Using a combination of traditional and modern astrological techniques, the author has delved deeply into the charts of hundreds of infertile women, and in many cases has unravelled what might be at the root of the problem. Sometimes it's a matter of

location or timing, or it could be psychological issues in the relationship that are causing the block; whatever the reason, the author works closely with the couple - and often the medical profession - to produce results that are frequently positive where there has been no hope before. Although this is an advanced textbook for astrologers, the human element of the case histories is nothing short of inspiring, and from that perspective can be enjoyed by readers with no knowledge of astrology.
