Haven is

desperate to

leave

Havenbrook,

Mississippi

behind. After

spending her

whole life

under the

thumb of her

overbearing

father, she's

ready for the

freedom

college will

bring.

Especially if

that freedom

means spending more time with her best friend...and unrequited love. Hudson Miller's been the man of the house since his dad died nearly ten years ago. The only escape he has from those responsibilities is the stolen moments when he's with Kenna. As much as he wants to tell her he's been in love with her for years, the red X looming on his calendar could change everything between

them. A week before school starts, Hudson proposes a trip away with Mackenna as one last weekend together before college responsibilities creep in. Except it could be one last weekend together, period. Because the secret he's been keeping from her could tear them apart forever. Pact with a Heartbreaker is book three in the Havenbrook series and is the beginning love story for Mac and

Hudson. More of Mac and Hudson can be found in Captain Heartbreaker. Few of the  
great stories  
of medicine  
are as  
palpably  
dramatic as  
the invention  
of open-heart  
surgery, yet,

until now, no  
journalist has  
ever brought  
all of the  
thrilling  
specifics of  
this triumph to  
life. This is the  
story of the  
surgeon many  
call the father  
of open-heart  
surgery, Dr. C.  
Walton  
Lillehei, who,  
along with  
colleagues at  
University  
Hospital in  
Minneapolis  
and a small  
band of  
pioneers  
elsewhere,  
accomplished  
what many  
experts  
considered to  
be an  
impossible  
feat: He  
opened the

heart,  
repaired fatal  
defects, and  
made the  
miraculous  
routine.  
Acclaimed  
author G.  
Wayne Miller  
draws on  
archival  
research and  
exclusive  
interviews  
with Lillehei  
and legendary  
pioneers such  
as Michael  
DeBakey and  
Christiaan  
Barnard,  
taking readers  
into the lives  
of these  
doctors and  
their patients  
as they  
progress  
toward their  
landmark  
achievement.  
In the

tradition of works by Richard Rhodes and Tracy Kidder, King of Hearts tells the story of an important and gripping piece of forgotten science history. *Pact with a Heartbreaker* Cambridge Scholars Publishing He broke her heart once... Ruby Cooper has spent her adult life trying to forget a one night stand with hometown golden boy Dane Anderson, a night that left

Ruby pregnant and alone. Now, ten years later, Ruby's number one goal is to find the daughter she was forced to give up. When a cruel twist of fate reunites Dane Anderson with the daughter he gave away, he has no choice but to put his own dreams on hold to raise her. Resigned to the life he leads, Dane's upset when Ruby returns to town, determined to insert herself in their daughter's

life. Forced to co-parent, Ruby and Dane can't deny the physical attraction between them, but remembered heartbreak and trust issues divide them over and over again. In the end, will Ruby and Dane finally take a chance on love and learn to trust their hearts. or will they be torn apart forever? Popular Song Index Bright Publishing, LLC Engagement in meaningful activity is an

important aspect of human existence, regardless of one's cognitive abilities. Even in the later stages of dementia, people can still be engaged in activities at a level that allows them to be successful. In fact in these later stages, where cognitive abilities may be waning, the need for activity becomes greater, as cognitive stimulation helps preserve what skills

remain. For care staff looking after older people, many of whom may have some degree of dementia, coming up with ideas for activities of a suitable level to keep their residents engaged and stimulated can be challenging. The Activity Year Book solves this problem, offering week by week themed activities. From Valentine's Day quizzes to Bonfire Night word searches, it

has activities relating to every important date in the calendar, and also encourages reminiscence and discussion around these events. This book will be invaluable to care staff looking for a simple way of improving the lives of their residents, week by week, all year round. The Heartbreakers (A standalone Heartbreaker Bay novel) There's no such thing as a little in love . . . Elle Wheaton's

priorities: friends, career, and kick-ass shoes. Then there's the muscular wall of stubbornness that's security expert Archer Hunt—who comes before everything else. No point in telling Mr. "Feels-Free Zone" that, though. Elle will just see other men until she gets over Archer . . . which should only take a lifetime . . . There's no such thing as a little in lust . . . Archer's wanted the best for Elle

ever since he sacrificed his law-enforcement career to save her. Their chemistry could start the next San Francisco earthquake and he craves her 24/7, but Archer doesn't want to be responsible for the damage. The alternative? Watch her go out with guys who aren't him . . . There is such a thing as . . . As far as Archer's concerned, nobody is good enough for Elle. But when he sets out to prove it

by sabotaging her dates, she gets mad—and things get hot as hell. Now Archer has a new mission: prove to Elle that her perfect man has been here all along . . .

Anne Marie Novark Books  
One day ago my life was pretty perfect. But a lot can change in a day. In one day, I went from being Ashlynn Wynterland, one of the most popular girls in school, to being the girl who spends

lunchtime  
 hiding out in  
 Mr. Chester's  
 classroom and  
 watching  
 Maxon Harter,  
 and his  
 science  
 obsessed  
 friends mess  
 around with  
 experiments.  
 All because  
 Queeny  
 Harlington  
 thinks I made  
 out with her  
 crush. Queeny  
 Harlington is  
 the queen of  
 Fareland high.  
 And up until a  
 day ago, she  
 was my best  
 friend. Now  
 she's my  
 worst enemy  
 who's  
 threatening to  
 tell the entire  
 school all of  
 my secrets.

Being a  
 friendless,  
 social outcast  
 has its  
 downsides.  
 So, when  
 Maxon invites  
 me to hang  
 out with him  
 and his mad

 Which is fine.  
 Sort of... The  
 truth is I've  
 always  
 thought  
 Maxon is cute  
 in a weirdly  
 unordinary  
 way. And the  
 more I get to  
 know him, the  
 more I find

 him. But when  
 Queeny

decides to tell  
 everyone my  
 darkest secret  
 of all, my new  
 friendship  
 doesn't look  
 like it's going  
 to survive. As  
 my heart  
 breaks, I make  
 a choice that  
 ends up  
 shattering my  
 world  
 completely. In  
 that dark  
 moment, I  
 learn who my  
 real friends  
 are and that  
 nothing about  
 Fareland is  
 what it seems.

interests lie elsewhere. A talented baker, all she wants is to open a shop with her best friend. But according to her mother, such a goal is unthinkable for the young woman who could be the next queen. Then Cath meets Jest, the handsome and mysterious court joker. For the first time, she feels the pull of true attraction. At the risk of offending the king and infuriating her parents, she and Jest enter

into an intense, secret courtship. Cath is determined to define her own destiny and fall in love on her terms. But in a land thriving with magic, madness, and monsters, fate has other plans. In this new biography of Chris Barnard we not only learn about the life of South Africa's most famous surgeon, from his Beaufort West childhood through his studies locally and abroad to his prominent marriages – and divorces – but James Styan also examines the impact of the historic heart transplant on Barnard's personal life and South African society at large, where apartheid legislation

often made the difficulties of medicine even more convoluted. The role of black medical staff like Hamilton Naki is explored, as is the intense rivalry that arose between other famous heart surgeons and Barnard. How did Barnard manage to beat them all in this race of life and death? How much did his famous charisma have to do with it all? And in the light of his later years, his subsequent

successes and considerable failures, what is Barnard's legacy today? Styan covers it all in this fascinating new account of a real heartbreaker. *Hometown Heartbreaker* Lauren Blakely Books Looks can be deceiving... Carlos Moreno is captivated by his boss' new assistant. Beyond Judith Bell's beauty is a sweet, gentle woman needing desperately to be loved. After an abusive relationship leaves her guarded and

withdrawn, Judith finds comfort in her quiet, predictable life. But ignoring the sexy, dark-eyed security chief—and her attraction to him—is proving impossible. When an internal investigation into the attempted theft of company files points to Judith, Carlos begins to wonder if she's as innocent as she appears. On the run from her mistakes and forced into

hiding, Judith must decide to trust Carlos or face her monsters alone. Left wondering if he's been duped by a pretty face, Carlos is torn between two choices: fulfilling his duties as chief of security or protecting the woman who's already stolen his heart.

**The Big Black Book of Very Dirty Words**

Macmillan The Hollows is gripped in unrest and on the brink of civil war as an insurgency of anarchists rise, and brother and sister vie for the throne in the second novel in the critically hailed Legacy of the Mercenary King series

which Brandon Sanderson called "excellent." Michael Kingman thought he was going to die by the executioner's axe, forever labeled as a traitor. Still alive, and under the protection of the Orbis Mercenary company, Michael and his family and friends are deeply involved in the seemingly rival conspiracies that are tearing The Hollows apart. With the

death of the King, both the Corrupt Prince and his sister Serena are vying for the throne, while the Rebel Emperor is spreading lies amongst the people, and all of them want Michael dead. This is a story of betrayal, murder, and rebellion, and in this direct sequel to the debut novel *The Kingdom of Liars*, also some hope for justice. For readers who love the intrigue and widening scope of epic fantasy like Sanderson's

Mistborn and Week's *The Black Prism*, you will find your next must-read fantasy series. *A Lucille Ball Story* Createspace Independent Publishing Platform "I'm sorry," he said, slowly untying the ribbon that held his mask in place. "It's just-I didn't want you to think of me any differently." Somehow I kept my mouth from falling open. I knew his face, but my mind couldn't accept that he

was the person looking down at me. "My real name is Alec." Felicity has her entire future planned. Ever since her older sister ran away, she's had the full weight of her mother's expectations on her shoulders. So she works hard to get straight As and save for college. Except sometimes the best things in life are unplanned-like when Felicity meets a handsome,

masked stranger while she is volunteering at a charity masquerade ball. She never thought he'd flirt with her. And she certainly never thought he'd turn out to be a member of the world-famous Heartbreakers band, Alec. Then Felicity uncovers a shocking family secret. Suddenly, she, Alec, and her two best friends are off on a road trip to find Felicity's missing sister. And she's

about to discover that unexpected turns have a peculiar way of landing her right where she needs to be...
